**Oliphant,2018-12-14     Girl, We Need to Talk** Chris McCurley,2015-08-18 You knew people would be critical You knew about the unfair expectations and emotional strain You knew being the wife of a minister would be tough But you never dreamed it would be like this In *Girl We Need to Talk* ten ministers wives offer words of hope and help not to mention a shoulder to cry on Whether it s living in the proverbial fish bowl being a single mom during worship or helping your husband build a ministry that lasts this book offers practical advice for your struggles More importantly you will be inspired to mentor the next generation of godly women and go deeper in your relationship with Christ     **Her Husband's Crown** Sara J. Leone,2007 Although much has been written to prepare men for the work of the Christian ministry there is comparatively little in print that will help prepare the ministers wife for her role within the church The pastors wife is neither The First Lady of the Church nor just another member of the church She has certain basic responsibilities laid upon her and this booklet aims to encourage and help her to serve the Lord alongside her husband Although written primarily for pastors wives

this booklet will encourage Christian wives in general and will stimulate prayer for and support of pastors and their wives everywhere Seizing Opportunities Rebecca Hilton,2025-08-26 Until 1945 Australian Baptist women made up about two thirds of Australian Baptist adherents but rarely have their achievements been documented Instead Australian Baptist history has focused on structures and male ministers This book seeks to redress this deficiency and highlights the work of Baptist women in congregations state and national Baptist women s organizations overseas mission an area in which their contribution was essential and national non denominational organizations particularly the Woman s Christian Temperance Union Australian Baptist women seized the opportunities available to them with drive and passion and the recognition of their ministries is long overdue The Minister's Wife Margaret Oliphant,2018-12-14

Mrs. Hugh Fraser,1899 Heart Talks to Ministers' Wives John A Farounbi,2021-05-25 Many books have been written on the aspect of the minister and the ministry marriage and the family life but not so much on the subject of the ministers wives apart from the qualities emphasized in the pastoral epistles of Paul The need for this book arose in answer to the yearnings of some ministers wives Sometime ago as we were preparing for the ordination of some key ministers in the Church a young wife of one of the candidates slated for ordination approached me on the need to provide the list of do s and don ts for ministers wives Initially I considered her request as something ridiculous but all things being the same she seemed to be very sincere and anxious on the need to be well informed regarding what was expected of her as a minister s wife Her gesture motivated me to reflect on the need to write a book of this nature As a matter of fact so many ministers wives have not taken time to discover the purpose of their being married to men who are called into ministry neither have they seen the need to build up themselves and cultivate the necessary virtues and lifestyles befitting their position This book highlights on the qualities priorities relationships and responsibilities of a minister s wife It will go a long way to inform sensitize and motivate every minister s wife so as to become an asset and a catalyst to the life and ministry of their respective husbands
