*The Missing Arrow* Hortense Cupo, 1984-05-01      **Drama in the Classroom** Taku Victor Jong, 2024-07-20 In this masterfully written book the author Dr Taku Victor Jong not only provides a thoroughly researched insight into the sheer evanescent state of the African oral narrative but also proposes an academic solution geared at bringing it back into the mainstream of the people's collective consciousness. The study which spans the heydays of the folk narrative passing through the reasons for its decline in the present day context will undoubtedly prove to be a useful tool in the hands of classroom teachers of English language and Literature history, civic and moral education, lecturers of Drama and theatre arts and pedagogues of other subjects. As an educationist and a high profile adept of cultural studies, drama and performing arts, the author's carefully thought out proposals on adapting the Cameroonian oral tale into plays with the aid of Process Drama as well as in the context of modern audio visual entertainment is not only very workable but will go a long way to save this highly pedagogic aspect of African folk tradition from being completely and irretrievably lost. By NGOLLE METUGE Terence Poet teacher of English Language and Head of Department of English at the Institut Polyvalent Prive de Bonamousadi IPPB in Douala Cameroon
