**Innovative and Creative Behaviours in the Modern Workplace: Causes and Consequences** Mike James Mustafa,Mathew Hughes ,Delia Virga,2025-08-22 In light of ongoing globalization and the post pandemic recovery period organizational innovativeness is becoming a strategic necessity for many organizations to survive and thrive in contemporary business environments In achieving innovativeness organizations have become reliant on the discretionary and non conformity extra role behaviors of their employees that go beyond employee role expectations Employee creativity and innovativeness represent two such behaviors deemed critical for organizational innovativeness Employee creativity can be viewed as the cognitive and behavioral processes applied when attempting to generate novel ideas and employee innovativeness as the processes applied when attempting to implement new ideas A particular challenge for organizations is understanding how behaviors emerge and how they can be sustained through appropriate structures and processes Such challenges are even more profound given that employees may not be willing to engage in such behaviors due to often significant personal costs associated with engaging in them Given the growing importance of employee creative and innovative behaviors to organizational success and survival numerous studies have examined their antecedents in order to develop theoretical models and evidence based guidance for enhancing employee creativity and innovativeness A fundamental issue among such studies is that they have mainly focused on specific elements of organizational cultures and or leadership styles This has often resulted in an incomplete understanding of how such complex behaviors actually emerge     *The New Rules of Work* Alexandra Cavoulacos,Kathryn Minshew,2017-04-18 The world of work has changed People in previous generations tended to pick one professional path and stick to it Switching companies every few years wasn t the norm and changing careers was even rarer Today s career trajectories aren t so

scripted and linear Technology has given rise to new positions that never before existed which means we are choosing from a much broader set of career options and have even more opportunities to find work that lights us up However we don t discover and apply for jobs the same way anymore and employers don t find applicants the way they used to Isn t it about time we had a playbook for navigating it all Kathryn Minshew and Alexandra Cavoulacos founders of the popular career website TheMuse offer the definitive guide to the modern workplace Through quick exercises and structured tips you will learn The New Rules for finding the right path Sift through and narrow today s ever growing menu of job and career options using the simple step by step Muse Method The New Rules for landing the perfect job Build your personal brand and communicate exactly how you can contribute and why your experience is valuable in a way that is sure to get the attention of your dream employer Then ace every step of the interview process from getting a foot in the door to negotiating your offer The New Rules for growing and advancing in your career Mastering first impressions the art of communication networking managing up and other soft skills and make it obvious that whatever level you re at you re ready to get ahead Whether you are starting out in your career looking to advance navigating a mid career shift or anywhere in between this is the book you need to thrive in the New World of Work
