The Morning Calm Grover C. Cooper,2000 ***Broken Morning Calm*** Hyeonggeol John Kim,2014-12-07 *Morning Calm* the Korean Peninsula is a concealed microcosm of the world tweaked and a wide open miniature of the world divided From the outside this Calm Land has been called a miraculously leaped up nation defeating

the ghost of the Korean War But inside there have been buckets of unimaginable inhumanity and irrationality among which were smashed bodies by tanks people who were tortured to death by prison guards in the North the deflowered women by Japanese Imperialist troops the U S officers hacked by the Red and a Korean woman lanced by a U S soldier in the blood ally South Korea Extreme conflicts between politicians Chaebol and labor workers the poor and the rich the young and the old splashes in the religious groups men and women disputes over mandatory military service are also vividly described Anyway most of all Anti Americanism that gradually got heated through several decades distinctively began to settle down for some reasons while Pro Japan that contributed to the collapse of Morning Calm to Japanese Imperialism which ripped off the skin of peace in the Pacific and East Asia raping and beheading the innocent residents is going to run amok in Korea again So people need to know why these treacherous trends are hazardous to Asia the U S and Western countries too The world villagers used to say If a third world war break out in some places where could be the Korean Peninsula There have been not so many opposite opinions about it putting Middle East incidents as just skirmishes As much Morning Calm is the land not only of Korea but of the powerhouses including the U S China Japan Russia the U K France and Germany altogether In addition some intertwined problems must be resolved sooner or later before the Kim s North rapidly collapses down But the inner puzzles would not be put together easily Seoul and locals duels in the sports corrals and the chronic pain between Julla and Kyungsang provinces so called the cats at the loggerheads with the dogs Those issues have not been frequently addressed to the outside because it has been thought just as a kind of household matter That much Morning Calm has existed under the cloak of concealing something false and true deep inside but which can explode and sink down under the water if not proper cures from inside or outside are provided As the Sewol ferry boat went down this Calm Land can follow her track too Meanwhile what really matters is the Korean Peninsula is becoming a clock bomb drawing and embracing the Far East and the Western Countries closer to the center of turbulence So here I sincerely ask all the world neighbors to pay more attentions to Morning Calm and hustle to give your hands to cure this peninsula which is out of hands of itself that has been always subdued with self satisfaction and gestures like living in a narcissism mode Once again to remind you my readers willy nilly this Morning Calm became not just a small country but a tremendously wide and big black hole and tinder box that can swallow up the peace and prosperity that are tightly tied to the bodies of powerhouses So I hope that my readers can take your plenty of time to read this book one page at a time and feel the throbbing tensions in a Calm Land Lastly I am grateful for his technical assistance C S Hong and sharing precious opinions with me B J Lee **Sessional Papers** Canada.
