This is an examination of the crucial formative period of Chinese attitudes toward nuclear weapons the immediate post Hiroshima Nagasaki period and the Korean War It also provides an account of US actions and attitudes during this period and China s response A Blues Bibliography Robert Ford,2008-03-31 A Blues Bibliography Second Edition is a revised and enlarged version of the definitive blues bibliography first published in 1999 Material previously omitted from the first edition has now been included and the bibliography has been expanded to include works published since then In addition to biographical references this work includes entries on the history and background of the blues instruments record labels reference sources regional variations and lyric transcriptions and musical analysis The Blues Bibliography is an invaluable guide to the enthusiastic market among libraries specializing in music and African American culture and among individual blues scholars Encyclopedia of Music in the 20th Century Lol Henderson, Lee Stacey,2014-01-27 The Encyclopedia of Music in the 20th Century is an alphabetically arranged encyclopedia of all aspects of music in various parts of the world during the 20th century It covers the major musical styles concert music jazz pop rock etc and such key genres as opera orchestral music be bop blues country etc Articles on individuals provide biographical information on their life and works and explore the contribution each has made in the field Illustrated and fully cross referenced the Encyclopedia of Music in the 20th Century also provides Suggested Listening and Further Reading information A good first point of reference for students librarians and music scholars as well as for the general reader **Coda Magazine** ,1991 Blue Suede News ,1999

Living Blues ,1999 The Blue Note Label ,1988 From 1939 until the late 1960s much of the best in recorded mainstream jazz was issued on the Blue Note label which set the standard for excellence in both music and production The present work provides complete discographical information on every recording made or issued by Blue Note Included is also an index of listed artists a history of the label and 11 pages of photographs Although partial discographies of the Blue Note catalog have been published previously this is the first comprehensive one to appear One of the authors is an acknowledged authority on Blue Note and the other is a widely published discographer Because of the importance of Blue Note in the history of jazz this meticulously prepared book would be a worthwhile addition to any music reference section in either public or academic libraries Choice This discography consists of a complete listing of all the sessions recorded by the Blue Note

label starting in 1939 and extending through the label's temporary demise in 1981 and subsequent revitalization in 1985. The first part of the discography details all the sessions conducted by Lion and Wolff from 1939 through mid 1967. All existing takes are listed and numbered. The next section lists all the Blue Note sessions of 1967 through 1979 when the label became part of the Liberty and then EMI recording companies. Part 3 and 4 of the discography list Blue Note reissues of material from EMI and other labels. Part 5 details Blue Note sessions made or issued by the new Blue Note series which was started in 1985. Sessions are listed with all available information on personnel, recording locations and dates and master and issue numbers. Part 6 lists single series. Part 7 lists album series and both provide comprehensive lists of foreign issues along with a table of equivalent U.S. singles or albums. Foreign reissues that are identical to U.S. issues are not listed. The work then provides compact disc and cassette tape listings and concludes with an artist index. The index contains all the names appearing in the session listings and indicates cases where the artists appeared as sideman. [The Encyclopedia of Popular Music: Selected Albums. Bibliographies](#) Colin Larkin, 2006. Containing 27 000 entries and over 6 000 new entries the online edition of the Encyclopedia of Popular Music includes 50% more material than the Third Edition. Featuring a broad musical scope covering popular music of all genres and periods from 1900 to the present day including jazz, country, folk, rap, reggae, techno, musicals and world music the Encyclopedia also offers thousands of additional entries covering popular music genres, trends, styles, record labels, venues and music festivals. Key dates, biographies and further reading are provided for artists covered along with complete discographies that include record labels, release dates and a 5 star album rating system.
