The Guardian Angels:

The Guardian Angels James Haskins, 1983 Traces the development of an organization of volunteers dedicated to prevention of crime in the streets and on subways founded by New Yorker Curtis Sliwa in 1979 **The Guardian Angels: Our Heavenly Companions** Sisters of Perpetual Adoration, 2016-08-23 DO YOU know who is your best and most faithful friend It is one whom God Himself has placed at your side as a life companion a Prince from His own Heavenly Court your Guardian Angel God in His goodness has appointed him to guide and protect you through life and to lead you safely to your Eternal Home From the very beginning of your existence your Guardian Angel has been concerned about you He rejoiced when you were born into the world just as a good mother rejoices over the birth of her child From the day of your Baptism you became ever dearer to your Guardian Angel ever more loved by him Day and night he watched at your cradle He led you as you took your first steps He cared for you with most tender love when danger threatened He grieved when you committed sin as if he himself had received the greatest injury and he left you no peace until you became reconciled with God by a good Confession He has watched and prayed with you in hours of distress He has rejoiced with you in days of prosperity On the day of your First Holy Communion he was the bridal attendant of your soul As often as you have received the Bread of Angels in the state of grace he has rejoiced to accompany you to the Holy Table He it was who prayed for you specially when the hand of the bishop anointed you as a soldier of Christ in the Sacrament of Confirmation Your Guardian Angel is your best counselor Particularly will he assist young boys and girls in their choice of a vocation He will shield you amid the dangers of the world If you call upon him he will help you to find the life companion whom God has destined for you He will ever remain at your side so that you may faithfully and conscientiously fulfill the duties of your state in life If God has called you to the religious life or to the holy priesthood your Guardian Angel will protect you from the temptations of the world and help you to preserve your virginal purity to offer it to God at the altar by your holy vows or to offer the sacred Body of Christ with unstained hands and holy lips as a priest of the Most High In short your Guardian Angel is your companion in all the circumstances of life your friend in good as well as evil days He will one day assist you in a very special manner when you enter into life's last conflict Then he will fight with you and for you until you have won the battle and your heart is at rest But not even then will he leave you there where every other even the best of friends must leave on the threshold of eternity When the light of earth fades away and the brightness of eternity bursts upon you your Guardian Angel will present your soul before the tribunal of God and faithfully plead your cause What is more if you require purification in the flames of Purgatory your holy Angel will visit and console you He will bring before God's throne the good works that are performed for you on earth and he himself will intercede for you Finally when your time of purgation is ended he will joyfully bring you word of your release from the flames of Purgatory and will lead you to the blissful kingdom of Heaven But to benefit by the presence of this heavenly companion you must be docile to his inspirations and never turn away from this holy Angel who is your guide

If you believe in angels, all the better. But even if you do not believe in angels and see them only as a symbol of beauty and perfection, you will want to read this book. In the context of an enchanting story beautifully told, you will find many insights into human psychology and the human spirit. This unusual and inspiring book is a must for everyone. Hemmings P G Knight. *The Angel Chronicles* is magic. It is a small book of big believing; it can change your life. Micheline Renauld. *The Angel Chronicles* Books I V *The Guardian Angels* by the Angel Auberon. Auberon's Words of Introduction: At the very beginning, God asked the Angel Auberon, the most noble of the Principalities, to chronicle the events of all time. Auberon did as he was asked. In the year 2001, Auberon requested permission to come to Earth to tell his story. Auberon came to us at The White Notebook R Library, entrusting us with the story he wished to give to those who lived on Earth. The story he left behind is one of love and of angel beneficence. It is entitled *The Angel Chronicles*. In his book, Auberon describes how the world was created, how human life on Earth began, and how the angels forever found ways to make a meaningful contribution to human beings. We at The White Notebook felt that Auberon left us with not only his words but with a greater respect for our potential as human beings with intelligent optimism and for many of us, a return to hopefulness. We have listed for you below the Table of Contents and synopsis related to Book I. Book I: The Primary Angels. The Existence of Angels. God Creates the Earth. Silvond Names the Constellations. The Twin Angels. The Assignment of Guardian Angels. The Guardian Angels According to Day of Birth. The Angels in Guardianship of Domestic Pets. The Primary Angels. God decided that the time had come to create a universe of worlds. In it would be a planet called Earth. God sent the angels out from their home in the beyondness for He had decided that the Earth would be sung into existence by them. The angels set to begin their work. Their finely feathered wings carried them in flight until they reached the center of the vast space of time. There they stopped. They breathed their beautiful breaths as they looked about and considered what they were to accomplish. The angels first sang into existence the planets and stars and the sun and the moon. They next sang their angel music until the Earth was made. All things upon the Earth, the angels next sang into being the mountains and rivers and also the variety of creatures God wished to inhabit the Earth. In this way the entire physical world

emanated from purely spiritual beings God and His angel emissaries The angels thought they might rest But Michael the Archangel came to them in a dream to remind them that they were also to sing into life the most wondrous of all creatures the human beings The angels were astonished Nonetheless they sang the most beautiful of alleluias and human beings were brought into existence When the angels saw the first human beings walk about the Earth they fell in love It was inevitable that the angels would fall in love
