The Heptadic Structure Of Scripture:

The Heptadic Structure of Scripture R. McCormack,2013-10 This is a new release of the original 1923 edition

The Numerical Structure of the Holy Bible Charles Stockford Jr.,2016-12-22 Most Bible students are aware of the use of numbers in scripture The number 7 is a prime example with its connotations of perfection and completeness The study of numbers as used in the Bible is infrequent and the Lord s people therefore miss some of that which is profitable for correction and instruction in the Word of God This volume goes a long way toward correcting the deficiency by providing a great introduction to the subject and showing that these patterns provide proof of the completeness and inspiration of the Holy Scriptures The reader will find profit as well as inspiration from this intriguing study

The Heptadic Structure of Scripture, Etc R. MACCORMACK,1923

The Dna of Scripture Karl L. Dahlstrom,2015-05-27 By utilizing a relatively unknown natural law of science we are able to reveal the hidden pattern and divine structure of the Holy Scripture which by definition proves its authenticity This book is a unique defense of the Bible and thus by extension that of Christianity by providing a proof of the veracity of the Word of God in a scientific manner outside the Bible itself which previously has not been accomplished The author will demonstrate that the same true natural law of science the Law of First Digits as described in chapters 2 and 3 when applied to the Holy Scriptures of the Bible proves the presence of Gods unfathomable intelligence in creating and preserving the truthfulness of His Word Moreover this proof extends to the identification of God as the only true God of the universeto the exclusion of all others That is a very powerful and controversial statement but one that can be backed up If one proves the entirety of the Scripture as true then it follows that the God referred to in those same Scriptures is and must be the one true God of the universe
