The Hidden Secrets Of Handwriting:

Hidden Secrets Andrea Macnichol, Jeffrey A. Nelson, 1994 *Thirteen Secret Letters* Adam Friedrich Boehme, 2014-11-05 Those interested in the Western hermetic tradition may know that the 18th century Golden and Rosicrucian Order was a high degree Masonic Order with a strong emphasis on laboratory alchemy This work was considered a preparation for the theurgical work which they taught in their higher degrees where the final aim of their system was to become a Biblical type of prophet This compilation of the 13 letters now in print for the first time in modern type as well as translated into English is distinguished among the many other books of its time some of which also claim origin with said order but fail to deliver For all who take an interest in Fulcanelli along with the classics Cylani Philalethes or Sendivogius this is a must read and a perfect companion to the Hermes Trismegistus Old and True Natural Path also available from Lulu Language English Deutsch Secret Letters John Willis, 2020-09-15 This is a unique book Using for the first time the full unpublished letters of Pilot Officer Geoffrey Myers it offers a fresh and distinctive insight into World War 2 While Geoffrey Myers was caught up in the major turning points of the early years of that war the Battle for France Dunkirk and the Battle of Britain his French wife and two half Jewish children were trapped in Nazi occupied France desperate to escape the enemy and be reunited with her husband in England These secret letters were never posted and never read by Geoffrey s family until later in the war They were designed to be read if he was killed They begin Three months now and I have kept silent I have been hoping to write letters that would reach you I have been wanting to do something that would help you to escape from Occupied France and to get us all out of this living grave Contemporary personal accounts of the Battle of Britain of such frankness are extremely rare Individual narratives on this scale encompassing two of the great turning points of the war the Battle of Britain and Dunkirk and much else besides just do not exist So the letters from Geoffrey Myers to his family are unique offering an original insight from a witness to so much history More than that the letters tell a powerful love story between two people caught up in war and at real risk of never seeing each other again As a Daily Telegraph journalist before the war Geoffrey Myers writes with eloquence and insight and because his notebooks were not designed to be published the letters are an unvarnished sometimes brutal portrayal of war as his Battle of Britain Squadron suffers terrible losses As an Intelligence Officer Geoffrey was well placed to understand the chaos all around him but his letters are shot through with humanity and sometimes humour While Geoffrey wrote his account of the war for his children to read if he survived his family were in mortal danger As a Jew he understood only too well what would happen if the Nazis discovered his children hiding in Occupied France For months he had no idea if his family were dead or alive free or imprisoned His letters reflect his deep love for his wife Margot and children and his acute anxiety for their safety as they try to escape the tightening net of the Nazis and head south through France and Spain Unique interviews with his wife offer insight into her remarkable story during those precarious months This moving story of a couple whose love is caught in the

crossfire of war is a powerful and rare portrait of not only the turbulent events of those times but also how a family survives with so much death and danger swirling around them both **Letters to a Secret Lover** Toni Blake,2009-10-13 The last thing she needs right now is a man Lindsey Brooks had it all an awesome job doling out advice to the lovelorn a fabulous high rise apartment and a to die for fianc But then she got dumped wearing nothing but a Kiss the Cook apron and desperate to escape she retreats to a tiny Montana town to reclaim a family treasure She never dreamed anyone would try to stop her or that he d be sexy as sin Too bad she finds such a hot one Rob Colter isn t into relationships but Lindsey sees Rob as the perfect guy to help her get back on the horse The sex horse that is Unfortunately he comes complete with a mysterious past which gets even more mysterious when she finds his passionate letters to another woman whose name happens to be tattooed on his chest And too bad he has so many secrets Now Rob s dangerous past is about to catch up with them both And if that s not horrible enough Lindsey is falling for him hard For a girl who usually has all the answers Lindsey is up to her neck in trouble A Catalogue of Books, Manuscripts, Letters, &c London (England).
