In the department of but it is better not to mention the department There is nothing more irritable than departments regiments courts of justice and in a word every branch of public service Each individual attached to them nowadays thinks all society insulted in his person Quite recently a complaint was received from a justice of the peace in which he plainly demonstrated that all the imperial institutions were going to the dogs and that the Czar s sacred name was being taken in vain and in proof he appended to the complaint a romance in which the justice of the peace is made to appear about once every ten lines and sometimes in a drunken condition Therefore in order to avoid all unpleasantness it will be better to describe the department in question only as a certain department So in a certain department there was a certain official not a very high one it must be allowed short of stature somewhat pock marked red haired and short sighted with a bald forehead wrinkled cheeks and a complexion of the kind known as sanguine The St Petersburg climate was responsible for this As for his official status he was what is called a perpetual titular councillor over which as is well known some writers make merry and crack their jokes obeying the praiseworthy custom of attacking those who cannot bite back **Specifications and**

Newnam,David Milam,1986 **The Overcoat [Easyread Edition]** Nikolai Gogol,Nikolai Vasil'evich Gogol,2006-10 It is the story of a sincere young clerk who makes great sacrifices to attain an overcoat of untold value and power Representing the mighty bureaucracy Akaky dies of a broken heart when his beloved smart coat is stolen The story takes an interesting turn

when he returns for his coat from the buyer This story symbolizes the reprisal of lower class against the dominance of the ruling class    **Fifty-two Sunday stories for boys and girls, ed. by A.H. Miles** Alfred Henry Miles,1893    *The Overcoat* Nikolai Gogol,2019-11-04 Akaki Akakievich a solitary unworldly government clerk is often mocked by his colleagues not least on account of his pathetically threadbare overcoat no longer a match for the St Petersburg climate Economising to the point of austerity Akaki has a new overcoat made thus transforming his life Then one dark night the unthinkable happens By turns wry sad tender and satirical Gogol s greatest short work provided the template for an entirely new way of storytelling in the modern age
