## The Packers:

The Year the Packers Came Back Joe Zagorski, 2019-11-22 The 1972 Green Bay Packers were not expected to challenge for a playoff spot or even to top their four victories from the season before But the players were an eclectic group of over achievers 20 of whom were brand new to the team Despite disheartening decisions by a questionable head coach they gelled almost immediately and by season s end became the only Packers team throughout the 1970s to earn a division title This book details how they succeeded beyond all expectations and tells one of the great stories in pro football history To Amend the Packers and Stockyards, Act, 1921 United States.
