**The Parables** Hendrik Van Tuyl, 1993      **Stories with Intent** Klyne R. Snodgrass, 2018-02-16 Winner of the 2009 Christianity Today Award for Biblical Studies Stories with Intent offers pastors and students a comprehensive and accessible guide to Jesus parables Klyne Snodgrass explores in vivid detail the historical context in which these stories were told the part they played in Jesus overall message and the ways in which they have been interpreted in the church and the academy Snodgrass begins by surveying the primary issues in parables interpretation and providing an overview of other parables often neglected in the discussion from the Old Testament Jewish writings and the Greco Roman world He then groups the more important parables of Jesus thematically and offers a comprehensive treatment of each exploring both background and significance for today This tenth anniversary edition includes a substantial new chapter that surveys developments in the interpretation of parables since the book's original 2008 publication      **The Universe Within Us** Jane E. Kuhn, 2020-08-31 *Reading the Bible Badly* exposes how American Christians misunderstand and misuse the Bible reading Scripture through lenses that distort its true character As Americans we often read the Bible s stories and instruction unmindful of their historical and cultural settings disregarding the testimony of our spiritual ancestors and finding mostly a mirror image of our own values and selves in Scripture Some of us insist that the Bible must be the inerrant word of God historically factual in every way and doctrinally infallible and overlook so much of what makes Scripture beautiful and relevant Others follow a lectionary that dices and splices Scripture into bite size morsels for Sunday worship divorces passages from their biblical settings strikes verses deemed offensive and undermines the literary artistry that is the lifeblood of Scripture s profound revelation Many of us read the Bible in fear warping our witness to Jesus and tragically neglecting Scripture s ever persistent call to compassion hospitality and love We come to the Bible looking for simple rules that affirm our sense of right and wrong while missing the point of what Jesus taught about wisdom and true righteousness *Reading the Bible Badly* challenges Christians to set aside their misaligned lenses that they may encounter the Bible more fully and faithfully
