The Shot Gary Ramage, 2016-09-01 The heart stoppingly adrenalin charged and often dangerous life and times of Australian war photographer Gary Ramage He goes where the troops go but with a camera not a gun As Australia's premier war photographer and as a former soldier Gary Ramage has been in and out of just about every conflict zone that Australia has ever been involved in He's been embedded with troops lived eaten and slept alongside them Through good times and bad times through rocket attacks firefights and funerals from photographing mass graves in

Kosovo to being in East Timor when SAS troops were ambushed from sleeping under the stars on patrol with Aussie soldiers in Afghanistan to helping out with CPR on a wounded soldier on a medivac chopper he's been there and documented it. It takes special grit to be a war photographer; it's an extreme and dangerous job. At least 25 journalists/photojournalists have been killed in Afghanistan alone since 2001. Journalists/cameramen/photographers: they've all been captured, tortured, and executed. Risk comes with the territory. This is a high-adrenalin, sometimes moving, sometimes laugh-out-loud funny, entirely gripping story of a man who's living an extraordinary life documenting some of the most confronting and moving moments in international conflicts and our recent history. Now the four kids, brave Chess, smart Emma, kind Finn, and savvy Natalie, are determined to rescue everyone. To do so, they have to go back into the other world where even telling the truth can be illegal. But in such a terrifying place, Chess doubts he can ever be brave enough. Despite all her brains, Emma can't seem to break the code. With everything spiraling out of control, Finn has to pretend he's okay. And for Natalie, the lies of the other world include some she wishes were actually true. What if she's gotten so used to lying she no longer knows what to believe? The second book in the Greystone Secrets series, *The Deceivers*, by bestselling author Margaret Peterson Haddix, continues the twisty and suspenseful story of the Greystone kids and examines the power of the truth or a lie to alter lives, society, and even an entire reality.
