striking depending on the breed. While some come up with a beautiful long and white coat others have shaggy hair that looks like dreadlocks. Many of these guard dogs have in common that they are descended from Asian dogs which came to Europe many thousands of years ago through the migrations. These dogs already possessed the important qualities of natural protection and guarding instincts and also the gift of acting independently and making decisions without human interference. The contents of the book are Difference guard dog and herding dog. A portrait of guard dogs. Which breeds are there. Education of the dogs. Herding dogs at home. FCI Standards Summary. Even the diet of the guard dogs which is still unusual today can be traced back to this time. They are not fed like conventional domestic dogs but much lower in protein. Furthermore these dogs are also able to digest dairy products which is not the case with normal dogs and can lead to digestive disorders. Now the future owner of such a dog should be aware however that likewise the attitude and education can lead to considerable problems.
