**The Hidden realms of Belisaver - The dance of the virtues - PART 1** Fisher Frank,2021-09-25 An ancient myth known as the legend of the ancient kingdom tells the story of the fall of a celestial body an asteroid from the cosmos which split into seven fragments before it hit the earth According to the ancestral legend handed down in the kingdom of Belisaver the place where the crash took place as many kingdoms were born from each of those parts of the mysterious fiery space object Subsequently magicians belonging to two opposing orders remained the sole custodians of the ancient knowledge of the hidden realms until the magician Esperil dean of the magical order of Goraz was summoned by the old Belisaver ruler King Zorev III to his castle in Enselit the capital of the kingdom The king supported by his trusted advisor is greatly alarmed by some strange events that have recently occurred in Belisaver Thanks to Esperil s precious help they will discover that an invasion is imminent by troops from the kingdom of darkness of Riondord the most dangerous of all those hidden realms that until then had seemed to belong only to a myth that was beginning to fade a little Suddenly war seems to be looming over Belisaver in an unexpectedly sudden way forcing the wise Esperil to go in search of his favourite disciple Kabel The two of them together with the funny but loyal Almoluk will be forced to undertake a long and dangerous journey through all the legendary hidden kingdoms in an attempt to reunite the seven sceptres guarded by the rulers of each of them before the enemy forces succeed Their departure for the hidden kingdom of light of Riolais the first stage of their journey must however be preceded by a hard test called the dance of virtues which the young and valiant Kabel must undergo This ritual will prove potentially fatal but at the same time indispensable to open his mind to new knowledge and prepare him for the mission and above all for his own destiny perhaps already written in the stars

They erased the maps They inverted the towers But they could not silence the signal In this explosive second installment of The Hidden Realm Trilogy Julian Castelli takes you deeper into the war behind the war a battle not for land but for memory itself The Custodian Race has ruled through distortion cloaking the true architecture of our world and severing humanity from the Source Within the one frequency they cannot control From ancient cities buried in plain sight to the ice ringed boundaries of the known world Part Two peels back the layers of deception Through suppressed science sacred geometry and mythic resonance the veil begins to lift revealing a reality far stranger and far more powerful than we've been taught to believe The Custodian Race cannot access the Source But you can And once you do the inversion collapses If you were captivated by the revelations of Part One prepare for the transition the moment when the globe begins to flatten and the hidden realms emerge

**Realms Oracle Cards** Colette Baron-Reid,2009-10 Mystics have passed down stories of magical realms hidden from mortal sight bridging the world of Nature and Spirit Even before the written word the ancients established a Divine partnership between humans and these Hidden Realms Both agreed to form an eternal Sacred Alliance to establish harmony and balance between the material and the spiritual The Alliance ensured that when we asked for guidance in manifesting our reality they would help us find our way to the highest good for all But in time humanity turned itself away from the natural world as a source for the Divine and forgot about the realms in the Unseen realities Religious superstition dominance and the power of intellect reason and technology became our focus and our partnership was forgotten so the realms faded away As our global concerns have increasingly been more plaintive they have returned to help us find our way home to our true purpose prosperity hope and happiness These cards represent some of those realms and their Queens and Kings Princes and other magical helpers Let the Swan Queen point the way to transformation the Arrow Master help you reach your goals the Sun Dancers herald your victories and the Sacred Union speak to the depth of your longing for love Ask and ye shall receive for the Highest Good is their motto If you call upon them they will answer     *The Hidden Realms Saga* Ibrahim
