The Path to Dignity and Respect ,2020 The Path to Dignity and Respect The Path is a culture change strategy created to prevent and address sexual misconduct in the Canadian Armed Forces CAF Sexual misconduct is a complex issue that requires a holistic long term approach The Path is an evidence informed strategy that considers the cultural dynamics of the CAF and how they can be leveraged or targeted for elimination to address sexual misconduct It incorporates and builds on efforts already undertaken through Operation HONOUR and other complementary CAF initiatives while introducing a prevention based approach to help us target and implement our interventions Furthermore it includes a performance measurement framework which will support a cycle of continuous learning and improvement Provided by publisher
