Signs, Genres, and Communities in Technical Communication M. Jimmie Killingsworth,Michael Gilbertson,2018-12-20 This important new text invites readers to step back from their busy professional lives and look at technical communication philosophically to ask fundamental questions such as what does it mean to communicate and how do language and graphics the signs or tools of the technical communicator relate to action in a technological world Through this excursion in the theory of technical discourse you will discover a fresh approach to reports manuals and proposals produced and consumed daily in business government and research organizations around the world The authors examine familiar genres in two relatively new ways
