Sons Of Fortune Tpb:

Mere Tpb Esta Spalding, Linda Spalding, 2002-09-23 Persephone revisited a unique mother and daughter story written by another and daughter literary team Mere's young life is confined to the wind and water the boat that she lives on docking only long enough to stop at the grocery store or visit the library but never long enough to take out any books That would mean having a library card and a library card would mean revealing your name on a government form Mere her mother Faye and Mark the mysterious teenage runaway who shares their boat seem destined to sail around the Great Lakes forever navigating the Persephone through the deep waters stopping in Toronto twice a year to pick up envelopes of cash left with the dockmaster Faye is a fugitive still pursued for her part in the violent one year anniversary events marking Chicago's 1968 Days of Rage a seminal student protest against the Vietnam war Now Merrill Mere's father has suddenly appeared on the boat after many years The authorities are looking for him and Faye is his ticket to freedom But in a desperate bid for her own adolescent freedom Mere makes a choice that will change everything Mere is a wonderfully electric novel about the inexorable bond between mothers and daughters written by two of Canada's most talented writers themselves mother and daughter Rich in its allegorical and sociological strands it reaches into the Greek myth of Persephone it explores a woman's primeval need to protect her child and it lays bare the explosive events of a touchstone period in our history A novel of choices and consequences betrayal and atonement Mere builds lyrically to a shattering climax an ending that haunts long after the last page is turned
