Soul Obsession:

The Obsession Kim Chernin, 2009-10-13 The Obsession is a deeply committed and beautifully written analysis of our society's increasing demand that women be thin. It offers a careful thought provoking discussion of the reasons men have encouraged this obsession and women have embraced it. It is a book about women's efforts to become thin rather than to accept the natural dimensions of their bodies, a book about the meaning of food and its rejection.
