

SPACE RESOURCES AND SPACE SETTLEMENTS

The background of the slide is a detailed illustration of a space station or colony. It features a long, horizontal structure with several large, circular, arched windows. Through these windows, a vibrant green landscape with rolling hills and a winding river is visible, suggesting a terraformed planet or a space-based environment designed to mimic Earth. The station's exterior is metallic and has various structural elements, including vertical supports and horizontal beams. The overall scene is set against a dark, starry space background.
