**Gorilla!** The very word scares people. They think gorillas are mean, so they would kill or be mean to them. Gorillas don't do that. And, to be sure, gorillas look frightening. Their faces look mean, and they are big and strong. But like humans, gorillas are very nice. They don't want to kill people. They don't really scare most humans. When they protect their babies, it is only for frightening an enemy. If that doesn't work, one gorilla will just run away.

The most famous gorilla is Chogorilla the Great. He was in the

circus. Circus posters called him "The World's Most Terrifying Living Creature." They showed pictures of him looking terrible. Before he was in the circus, Chogorilla belonged to a man named Peter York. Peter liked him when he was a baby. And when he grew, but now very scared. One night of his journey east, Chogorilla was afraid. So the brother and wife sang and crooned like a frightened child to best with the woman. That was when they discovered the great howling noise.
