Velodrome Racing and the Rise of the Motorcycle R.K. Keating, 2021-03-18 A hybrid machine powered at times by steam electricity or internal combustion the motorcycle in its infancy was an innovation to help bicycle racers go faster As motor age technology advanced the quest for greater speed at the velodrome peaked with riders reaching speeds up to 100 kph on bikes and trikes without brakes suspensions or gear boxes This book chronicles the individuals and events at the turn of the 20th century that led to the development of motor powered two wheelers **Napoleon Lajoie** David L. Fleitz, 2013-06-18 Napoleon Lajoie was the sixth player and the first second baseman to be elected to the Baseball Hall of Fame During his career which lasted from 1896 to 1916 he was regularly called the King of Ballplayers and was widely regarded as the greatest baseball player of all time before Ty Cobb and Babe Ruth came along Colorful competitive and often unpredictable Lajoie was so popular that the Cleveland team was called the Naps in his honor while he played for them He was a multiple batting champion the American League s first Triple Crown winner and the third member of the 3 000 hits club This book is the first ever full length biography of this long ago superstar Buck Ewing Roy Kerr, 2014-01-10 Buck Ewing 1859 1906 was regarded by contemporaries as the greatest catcher and all around player of his era A lifetime 300 hitter he played every position on the diamond and led the league in fielding at two different positions The first National League hitter to reach double digits in home runs Ewing once stole six bases in a game pioneered the snap forearm throw to catch runners napping averaged 35 steals a season and is the only catcher to lead his team in stolen bases 53 in 1888 Off the field Ewing s personality proved as multifaceted as his playing skills Considered both affable and modest he still received criticism from fellow players for negotiating contracts directly with the National League and was wrongly accused of faking injuries This revealing biography provides a detailed exploration of Ewing s life and career shedding new light on one of baseball s most talented and versatile players Baseball's Heartland War, 1902-1903 Dennis Pajot, 2011-10-14 In late 1901 a number of baseball owners decided to break away from the Western League and form a new league called the American Association This outlaw league refused to recognize organized baseball s reserve clause but vowed to respect contracts Unfortunately organized baseball did not reciprocate Over the next two years the leagues battled each other for players fans and financial superiority This narrative of that struggle details the business operations of the different clubs the difficulties of securing property for ball parks and the problem of players jumping contracts It also chronicles the two playing seasons during the conflict and describes the rowdy behavior of both players and umpires that characterized baseball at the time Although the American Association would go on to a longer and more successful life this study shows that outcome was by no means certain in the early 20th century *Baily's Magazine of Sports and Pastimes* ,1879 *Sporting Mirror* ,1881 Baily's Magazine of Sports & Pastimes ,1886 *The New Review* ,1893 *Who's who* ,1897 The Edwardian Sense Morna O'Neill, Michael Hatt, 2010 This is the twentieth in a series of occasional volumes devoted to studies in British art
