**Overcoming Addictions** Anthony Ekanem, 2016-08-08 When you are suffering from an addiction it can feel like your entire life is out of control and you have no power to stop yourself from using again and again When you are addicted to something it can also feel like you re completely alone and

have nowhere to turn These are all common mindsets for someone who has an addiction to any substance whether that is food cigarettes or other tobacco products alcohol prescription or illegal drugs and even sex But neither are you alone in your addiction nor do you have to be a slave to addiction for the rest of your life That s exactly why this book exists It is very easy to feel like you are the only one who is experiencing your particular addiction or the level of addiction you re experiencing but the truth is there are millions of others who experience exactly the same things that you do That s because addiction affects more than 10% of the United States population That means if you were to get on a typical city bus there are probably two or three people on that bus besides you that are suffering from some kind of addiction Don t fool yourself either having a food addiction or being unable to quit drinking alcohol is the same as an addiction to a drug or any other substance Addiction is addiction no matter what the substances      Can We Survive Drugs?
