Susannah is Missing! Jane Edwards,1988 **The First Horseman** John Case,2008-09-04 In the Book of Revelations the Four Horsemen herald the arrival of the Apocalypse When the First Horseman thunders forth pestilence will spread throughout the land For the First Horseman is Plague The Spanish Flu killed thirty million people worldwide in 1918 Now with history threatening to repeat itself a scientific expedition speeds toward a remote island in the Arctic Sea to recover strains of the lethal virus preserved under layers of ice For Washington Post reporter Frank Daly it is the story of a lifetime But his plan to join the expedition is ruined by a ferocious storm that delays him And when he meets up with the ship upon its return to port in Norway it is clear that something has gone terribly wrong Fear haunts the faces of the crew No one will talk And someone wants Daly to stop asking questions But if there s a wall around the facts Daly will batter it down Persistent and resourceful he knows how to get answers when none are given Yet the more he uncovers the more dangerous the stakes become Until at last he comes face to face with a shocking secret pitching him into a harrowing race to prevent nothing less than apocalypse
