Susans Magic:

Life Is Magic Jon Dorenbos,2020-11-03 Jon Dorenbos is a magical person Life Is Magic shows how we can all choose happiness in the face of overwhelming odds Ellen DeGeneres An extraordinary and empowering story of resilience forgiveness and living a life of purpose in the face of unfathomable obstacles You may know him as an NFL All Pro or as a world class magician who made the finals of America's Got Talent but Jon Dorenbos says that what he does is not who he is He is someone who coached himself at the most tender of ages to turn tragedy to triumph One morning in August 1992 when Jon was twelve years old and living a seemingly idyllic childhood in suburban Seattle he woke up for baseball camp His dad waved goodbye Later that day Jon heard the news his father had murdered his mother in the family's three car garage In an instant his life had shattered He'd essentially been orphaned Thrust into foster care while his father stood trial for murder Jon struggled Left to himself he discovered an unlikely escape performing magic tricks If you found a way to alter your reality after your dad your hero killed your mom wouldn't you cling to it too Then came football which provided a release for all of his pent up anger Together magic and football saved him leading to fourteen NFL seasons on the gridiron and raucous sleight of hand performances to packed houses across the globe In 2017 he was diagnosed with a life threatening heart condition leaving him with a choice To either break down or as he'd by now long taught himself bounce back Life Is Magic shows how we can all choose happiness in the face of overwhelming odds Ellen DeGeneres and provides a roadmap for overcoming even the darkest of times Jon's story is poignant and powerful told by a charismatic and optimistic man who has overcome life or death challenges with grace persistence a childlike sense of wonder and jaw dropping card tricks
