Standing In The Sun A Life Of J M W Turner:

Standing in the Sun Anthony Bailey, 1998 Joseph Mallord William Turner's work encompasses seascape and landscape oil paintings and watercolours. The son of a Covent Garden barber and a woman who died in Bethlehem mental hospital, Turner achieved fame and fortune during his lifetime. **Standing in the Sun** Anthony Bailey, 1998-12-09 Joseph Mallord William Turner, Britain's greatest and most mysterious artist, was the son of a Covent Garden barber and a woman who died in Bethlehem mental hospital. During his lifetime, 1775-1851, Turner achieved fame and fortune for a range of work encompassing seascape and landscape, immensely powerful oil paintings and intimate watercolours. His friend and colleague C. R. Leslie remembered him thus: Turner was short and stout and had a sturdy sailor-like walk. He might be taken for the captain of a steamboat at first glance, but a second would find more in his face than belongs in any ordinary mind. There was the peculiar keenness of expression in his eye that is only seen in men of constant habits of observation. For this new biography, the first comprehensive narrative of Turner's life in a generation, Anthony Bailey has searched through the archives, studied the scholarly literature, made use of much research done in the last thirty years, and looked at almost all of Turner's sketchbooks as well as many of his paintings and watercolours. He has uncovered fresh material and put together other facts previously known to shed new light on those complicated and secretive man. Anthony Bailey has set out to write a biography of the man, not a book about his paintings, and J. M. W. Turner comes vividly to life in these pages. Both reclusive and gregarious, private and vainglorious, tough and vulnerable, a long-term bachelor who fathered two daughters, Turner was full of contradictions, and Anthony Bailey rises masterfully to the challenge of describing them here. **J.M.W. Turner: Standing in the Sun** Anthony Bailey, 2013-09-05 Joseph Mallord William Turner is arguably Britain's greatest and most mysterious painter, whose range of work encompasses seascape and landscape, immensely powerful oil paintings and intimate watercolours. His friend and colleague C. R. Leslie remembered him thus: Turner was short and stout and had a sturdy sailor-like walk. He might be taken for the captain of a river steamboat at first glance, but a second would find more in his face than belongs in any ordinary mind. There was that peculiar keenness of expression in his eye that is only seen in men of constant habits of observation. The son of a Covent Garden barber and a woman who died in Bethlehem Hospital, Turner achieved fame and fortune during his lifetime. Although he possessed a wide-ranging imagination, he was an often incoherent speaker and writer, and his muddled will produced much discord. It is a wonder that, despite avaricious relatives and incompetent lawyers, so many of his works are now in the hands of the nation and publicly proclaim his genius. In this previously unavailable biography, Anthony Bailey has drawn upon archival material, scholarly literature, and research, as well as studying many of Turner's sketchbooks, paintings, and watercolours. Uncovering fresh material as well as pulling together previously known facts, Bailey sheds new light on this complicated and secretive artistic figure. **Life of J.M.W. Turner**, R.A.
