Worlds of Deep Space Nine #3: The Dominion and Ferenginar Keith R. A. DeCandido, David R. George III, 2005-02-15 Travel to two of the most colorful and fascinating civilizations in the Star Trek universe with this collection of two sweeping and reflective novellas that transport us to the alien planets of Ferenginar and the Dominion. In Ferenginar Quark's profit driven home planet is rocked by a shocking scandal when allegations that Quark's brother's first wife has threatened to overthrow the Grand Nagus of the Ferengi Alliance. Rom To make matters worse Quark has been recruited by Rom's political adversaries to join their coup d'tat with promises that all of Quark's wildest dreams will come true if he helps. Quark must decide if the future of Ferenginar is worth his greatest desires or if he is strong enough to save it himself. In The Dominion the Great Link the living totality of the shape shifting Founders has struggled with questions ever since its defeat in the war for the Alpha Quadrant. At its greatest moment of intense doubt its fate and that of the Dominion itself is tied to Odo's investigation of his kind's true motives for sending a hundred infant changelings out into the galaxy. As Odo searches for answers and takes a hard look at his past choices Taran atar reaches a turning point in his own quest for clarity one from which there may be no going back.

Star Trek: Deep Space Nine: Warped K.W. Jeter, 1996-04-01 Political tensions on Bajor are once again on the rise and the various factions may soon come to open conflict. In addition a series of murders has shaken everyone on board the station. While Security Chief Odo investigates the murders Commander Sisko finds himself butting up against a new religious faction that plans to take over Bajor and force the Federation to leave Deep Space Nine. Odo soon traces the murders to a bizarre and dangerous form of holosuite technology a technology that turns its users into insane killers and now threatens Sisko's son Jake. As the situation on Bajor deteriorates Sisko learns that the political conflict and the new holosuites are connected. Both are the work of a single dangerous man with a plan that threatens the very fabric of reality. The plot is darker than anything Sisko has faced before and to defeat it he must enter the heart of a twisted evil world where danger lurks in every corner and death can come at any moment from the evil within himself from his closest friends or even at the hands of his own son.

What You Leave Behind: S/t Ds9 Final Episode Diane Carey, 2012-07-24 Set on a space station rather than a ship Deep Space Nine is unique in the Star Trek universe. Its setting has helped to develop ongoing storylines unparalleled character growth and a host of recurring characters with whom the lives of its regular crew has intertwined and collided over seven exciting turbulent heart stopping years. What will happen to Sisko and Jake Dax Worf O'Brien and Kira Odo and Dr Bashir. What lies in store for Quark and Rom and Leeta for Garak Dukat Weyoun and Damar. What is the fate of the Prophets and of the planet Bajor. Deep Space Nine fans have theories of their own and speculation on the Internet is rife. But the answer lies only in the special two hour final episode to be screened in the USA in June first UK screening end 1999 and here in the pages of Diane Carey's must have final episode novelization.
