## **Starfist Hangfire:**

**Starfist: A World of Hurt** David Sherman, Dan Cragg, 2009-01-16 With its down and dirty depiction of warfare written by men who know what it's like to be under fire the Starfist saga is a runaway success across America Now in the explosive new Starfist adventure packed with fierce action and danger Marines at war in future space find themselves pitted against a faceless insatiable foe bent on destroying them And that's just for starters How bad is the upcoming mission facing the battle hardened Marines of 34th Fleet Initial Strike Team FIST the military's unofficial alien first contact force Bad enough to make the brass take the unprecedented step of issuing 34th FIST replacements for combat losses before the Marines even leave their home base In response to a series of unexplained deaths on a lonely outpost on the frontiers of human space 34th FIST has been dispatched to investigate and eradicate the problem Beyond that the information available to Gunnery Sergeant Charlie Bass and his men is meager even by Marine standards No one knows what awaits them for the newly colonized world remains largely unexplored That means 34th FIST can expect creatures they have never seen or even heard of much less trained for It could be Skink acid shooters could be anything for the barren station has several secrets all of them deadly But the last thing these Marines expect to find is themselves in the middle of an invasion and a mysterious war with none other than 34th FIST as Enemy 1 Whatever happens they'll deal with it because they're Marines determined to be ready and to give worse than they get

**Starfist: Force Recon: Recoil** David Sherman, Dan Cragg, 2008-11-25 Swift silent and deadly they strike where no one else dares Fear is the fastest growing crop on Haulover a newly colonized planet where someone or something is destroying isolated farmhouses The unseen enemy strikes without warning then disappears leaving no stone standing no trace of families or farm animals When the Confederation receives a desperate plea for help it's time to send in the Marines Impossible missions are a matter of course for Fourth Force Recon's second platoon squads and the situation at Haulover with no witnesses and few clues is no exception But this assignment turns out to be even tougher and bloodier than usual because the devastation is a ploy to lure the nine Marines into a trap and to force them to bust the Confederation's terrible secret wide open And as for the Skinks lying in ambush on Haulover they have no idea what trouble is until they go up against a few good Marines

**Starfist: Force Recon: Backshot** David Sherman, Dan Cragg, 2005-07-26 An exciting new special ops adventure from the battle tested vets who created the popular Starfist series Jorge Lavager charismatic leader of the mysterious Union of Margelan ferociously guards an agricultural research facility on the planet Atlas What that facility conceals will prove whether Lavager is an idealist seeking to unify Atlas under a banner of freedom and prosperity or a tyrant aiming to control all of Human Space The Marines of Fourth Force Recon's second platoon are dispatched to Atlas to uncover the truth They will have to sneak past state of the art surveillance equipment barring unlawful entry to the planet and land in a desolate area miles from their target And if they discover lethal new weapons instead of legitimate research the thirty six Marines are to seize the compound guarded by merciless armed to the teeth soldiers and destroy it But what the

recon team finds on Atlas sets off a chain of events that will force some hard decisions on the Marines and end in a deadly surprise

**Starfist: Hangfire** David Sherman, Dan Cragg, 2010-01-20 Six agents have died hideously trying to penetrate the crime families behind a vast empire of pleasure and debauchery Now it's up to the Marines to break the circle Most people will visit Havanagas only in their dreams for few can afford the exclusive resort planet that recreates ancient worlds and caters to every taste Witches are burned at the stake in medieval towns while riotous hordes fill Rome's Coliseum to watch gladiators battle Even the basest of human lusts are satiated by deadly sex acts and a thriving slave trade The crime bosses control of Havanagas and its people is brutally effective Now three Marines from Co L's 3rd Platoon masquerading as discharged military buddies on holiday are going in to break the kingpins bloody stranglehold From bordellos and rebellious enclaves to the very pit of the Coliseum filled with deadly beasts Corporal Pasquin and Lance Corporals Claypoole and Dean face certain death with only their wits and skills as weapons But they're Marines built to survive

**Kingdom's Fury** David Sherman, Dan Cragg, 2003 A lethal new special ops unit has joined Starfist On the newly colonized planet Haulover someone or something is destroying isolated farmhouses When the Confederation receives a desperate plea for help it's time to send in the Marines Original

**Demontech: Onslaught** David Sherman, 2002-01-29 The diabolic armies appear invincible but they haven't met the Marines The Dark Prince's power to summon demons has made his forces second to none and ensured his place as one of the invasion's leaders Not content to merely seize his father's throne the renegade royal dreams of world conquest and with his army and his black arts there is little to stop him So unexpected so well planned is the invasion of the free port New Bally that out of hundreds in the city only two escape capture Haft and Spinner will need all their courage and cunning to retrieve their weapons from their enemy held ship cross the open meadows surrounding the city walls and escape into the forest beyond where they hope to regroup and drive back the invaders Luckily Haft and Spinner are no ordinary men They are Marines

**Books Out Loud**, 2007

**Forthcoming Books** Rose Arny, 2002
