Beyond 2012: Catastrophe or Awakening? Geoff Stray, 2009-05-21 An illustrated encyclopedic overview of the prophecies, calendars, and theories that indicate the year 2012 is a threshold of great change for humanity. Looks at the scientific and anthropological evidence for the rare galactic alignment due to occur in December 2012. Sifts through the catastrophic theories to show what we might really expect in 2012. In December of 2012, the Mayan Calendar's Great Cycle will come to an end. Opinion remains divided as to whether apocalyptic scenarios of worldwide destruction or utopian visions of a spiritually renewed humanity will prevail after this key date has passed. What is certain, however, is that a rare galactic alignment will occur, one so unique that it is found at the core of many wisdom traditions from around the globe. Geoff Stray has been collecting the vast amounts of data relating to the 2012 phenomena since 1982. Far from confining his research to the Maya, who provide the most prominent predictions indicating this date will herald significant changes for humanity, he has studied the prophetic traditions of other cultures, including the Tibetan, Chinese, Jewish, Ethiopian, and tribal cultures from around the globe, to show the kind of convergence of cosmic purposes happening along a number of parallel tracks. This book offers an extensive study of many modern theories, including Terence McKenna's timewave zero and Maurice Cotterell's sunspot research, as well as anomalous phenomena such as near-death experiences and crop circles. Sifting through all the scientific research and speculation that the year 2012 has inspired, Geoff Stray provides an encyclopedic look at what we might really expect on this pivotal date.

You Are Dearly Loved Sheila S. Dempsey Ph.D., 2018-12-04 You Are Dearly Loved was written to help you feel Spirit's love for you, no matter who you are, in the eyes of society, no matter what you've done or neglected to do. The author recounts the story of her awakening to Spirit's love, beginning with a mystical experience where an energy of such immense power and love burst through her that for the first time in her life, she felt truly loved. In a life filled with chronic illness and depression, it was a miraculous moment, and she would never be the same again. After years of meditating, she began to receive messages of love from Spirit for others, and there are several messages from Spirit for you throughout the book. You Are Dearly Loved also addresses the issue of how the culture can make it difficult to remember who we really are: infinite awareness and infinite love.

Channelling Zoe Hagon, 1989 Zoe Hagon offers a balanced treatment of the various approaches to channelling. She draws on actual case histories to explain the scope of channelling in a manner that is accessible to the beginner yet still interesting to those with more experience.
