Jimmy Crikey: Radioactive! Wallace E Briggs, 2015-01-22 Jimmy Crikey the orphaned alien chose to make his life in Roombelow on Earth. He is not magical but he has unique skills that come in useful when his friends need help. Roombelow suffers from the after effects of the attack by rock chewing Scarab beetles and even the Aquamites world is crumbling. A hole appeared in the Aquamites Emerald Lake. The lake began to empty and thirty Aquamites were swept away to end up in the lake of the Tritians. Rescue cannot come soon enough because the Tritians live in a radioactive environment that poisons the young Aquamites and Jimmy's close friend Annison is in trouble. Jimmy organised rescue for the young Aquamites by his advanced home race from the star world of Attalia. Twenty eight Aquamites were saved but one was beyond help. Annison refused assistance until all her friends were treated. As a result Annison slipped into a coma from which the Attalians could not revive her. Annison is doomed to a living death unless Jimmy can call upon aid from a higher authority. **Only You Can**

Save Mankind Terry Pratchett, 2009-11-24 IF NOT YOU WHO ELSE As the mighty alien fleet from the latest computer game thunders across the screen Johnny prepares to blow them into the usual million pieces. And they send him a message: We surrender. They're not supposed to do that. They're supposed to die. And computer joysticks don't have Don't Fire buttons. But it's only a game, isn't it? Isn't it? The first book in the Johnny Maxwell trilogy. **Games in Libraries** Breanne A.

Kirsch, 2014-02-01 Librarians are beginning to see the importance of game based learning and the incorporation of games into library services. This book is written for them so they can use games to improve people's understanding and enjoyment of the library. Full of practical suggestions the essays discuss not only innovative uses of games in libraries but also the game making process. The contributors are all well versed in games and game based learning and a variety of different types of libraries are considered. The essays will inspire librarians and educators to get into this exciting new area of patron and student services. *Dawn After the Storm* Kevin W.
