**Independent Stardom** Emily Carman, 2015-12-15 Bringing to light an often ignored aspect of Hollywood studio system history this book focuses on female stars who broke the mold of a male dominated often manipulative industry to dictate the path of their own careers through freelancing Runner up Richard Wall Memorial Award Theatre Library Association 2016 During the heyday of Hollywood's studio system stars were carefully cultivated and promoted but at the price of their independence This familiar narrative of Hollywood stardom receives a long overdue shakeup in Emily Carman's new book Far from passive victims of coercive seven year contracts a number of classic Hollywood's best known actresses worked on a freelance basis within the restrictive studio system In leveraging their stardom to play an active role in shaping their careers female stars including Irene Dunne Janet Gaynor Miriam Hopkins Carole Lombard and Barbara Stanwyck challenged Hollywood's patriarchal structure Through extensive original archival research *Independent Stardom* uncovers this hidden history of women's labor and celebrity in studio era Hollywood Carman weaves a compelling narrative that reveals the risks these women took in deciding to work autonomously Additionally she looks at actresses of color such as Anna May Wong and Lupe Vélez whose careers suffered from the enforced independence that resulted from being denied long term studio contracts Tracing the freelance phenomenon among American motion picture talent in the 1930s *Independent Stardom* rethinks standard histories of Hollywood to recognize female stars as creative artists sophisticated businesswomen and active players in the then as now male dominated film industry

**Ricardo Darin and the Construction of Latin American Film Stardom** Clara Garavelli, 2023-07-04 This monograph examines the figure of Ricardo Darin the leading actor that drives Argentine cinema's box office success It aims to fill a lacuna both in Hispanic and Anglophone academia regarding the study of how Ricardo Darin's rise to stardom took place and what that stardom means for the Latin American film industry Accordingly it examines whether or not Ricardo Darin embodies the epitome of the contemporary Latin American or Hispanic star and importantly whether or not the characteristics of the Hollywood star system are actually applicable in the case of Argentine cinema where the dividing lines between so called industrial and independent cinemas are very difficult to discern Thus whilst taking the study of this key

figure from contemporary Argentine cinema as its focal point this study will also facilitate an opening up towards broader but equally vital questions that continue to require full examination How are Argentine Latin American and Hispanic stars constructed Does the leading actor of contemporary Argentine cinema embody a wider social group and historical moment in the region Is his performative approach redefining a particular cinematic style Stars and Stardom in Brazilian Cinema Tim Bergfelder, Lisa Shaw, João Luiz Vieira, 2016-12-01 Despite the recent explosion of scholarly interest in star studies Brazilian film has received comparatively little attention As this volume demonstrates however the richness of Brazilian stardom extends well beyond the ubiquitous Carmen Miranda Among the studies assembled here are fascinating explorations of figures such as Eliane Lage the star attraction of S o Paulo s Vera Cruz studios cult horror movie auteur Coffin Joe and L zaro Ramos the most visible Afro Brazilian actor today At the same time contributors interrogate the inner workings of the star system in Brazil from the pioneering efforts of silent era actresses to the recent advent of the non professional movie star *Kliatt Young Adult Paperback Book Guide* ,1998 **Books Out Loud** ,2004 **Stardom, Italian Style** Marcia Landy, 2008 The definitive book on stardom in Italian cinema **Words on Cassette**, 2002 R R Bowker Publishing, 2002 **Words on Cassette** ,2000 **Theatre World** ,1953 *Collier's* ,1929 *A Companion to Hong Kong Cinema* Esther M. K. Cheung, Gina Marchetti, Esther C. M. Yau, 2015-06-08 A Companion to Hong Kong Cinema provides the first comprehensive scholarly exploration of this unique global cinema By embracing the interdisciplinary approach of contemporary film and cultural studies this collection navigates theoretical debates while charting a new course for future research in Hong Kong film Examines Hong Kong cinema within an interdisciplinary context drawing connections between media gender and Asian studies Asian regional studies Chinese language and cultural studies global studies and critical theory Highlights the often contentious debates that shape current thinking about film as a medium and its possible future Investigates how changing research on gender the body and sexual orientation alter the ways in which we analyze sexual difference in Hong Kong cinema Charts how developments in theories of colonialism postcolonialism globalization neoliberalism Orientalism and nationalism transform our understanding of the economics and politics of the Hong Kong film industry Explores how the concepts of diaspora nostalgia exile and trauma offer opportunities to rethink accepted ways of understanding Hong Kong s popular cinematic genres and stars Show Music ,1988 **Exhibitors Daily Review** ,1926 Sight and Sound ,2004 **Screen** ,1991 **Deep are the Roots** Gordon Heath, 1992 An accomplished actor whose career spanned 5 decades on the stages of New York London and Paris Gordon Heath 1918 1991 achieved national prominence in 1945 for his starring role in the Broadway production of *Deep Are the Roots* a searing exploration of American race relations at the close of World War II By 1948 like other black artists before him he had moved to France With his longtime companion Lee Payant he opened the nightclub L Abbaye in Paris and continued to perform on stage in Great Britain Europe and the United States Reviewing the New York production of *Oedipus* in 1970 Clive Barnes wrote in the *New*
