## **The Divining Rod A History Of Water Witchinh:**

**The Divining Rod** Arthur J. Ellis,2003 The use of a forked twig or so called divining rod in locating minerals finding hidden treasure or detecting criminals is a curious superstition that has been a subject of discussion since the middle of the sixteenth century and still has a strong hold on the popular mind even in this country as is shown by the large number of inquiries received each year by the United States Geological Survey as to its efficacy especially for locating underground water and the persistent demands that it be made a subject of investigation by the Survey The bibliography shows that a truly astonishing number of books and pamphlets have been written on the subject The purpose of the present brief paper is not to add another contribution to this enormous volume of uncanny literature but merely to furnish a reply to the numerous inquiries that are continually being received from all parts of the country The outline of the history of the subject presented in the following pages will probably enable most honest inquirers to appreciate the practical uselessness of water witching and other applications of the divining rod but those who wish to delve further into the mysteries of the subject are referred to the literature cited in the bibliography in which they will find reports in painful detail of exhaustive investigations and pseudo investigations of every phase of the subject and every imaginable explanation of the supposed phenomena *The Divining Rod* Arthur Jackson Ellis,1917

**The Divining Rod** Arthur Jackson Ellis,2017-10-13 Excerpt from The Divining Rod A History of Water Witching The use of a forked twig or so called divining rod in locating minerals finding hidden treasure or detecting criminals is a curious superstition that has been a subject of discussion since the middle of the Sixteenth century and still has a strong hold on the popular mind even in this country as is Shown by the large number of inqui ries received each year by the United States Geological Survey as to its efficacy especially for locating underground water and the per sistent demands that it be made a subject of investigation by the Survey The bibliography Shows that a truly astonishing number of books and pamphlets have been written on the subject The purpose of the present brief paper is not to add another contribution to this enormous volume of uncanny literature but merely to furnish a reply to the numerous inquiries that are continually being received from all parts of the country The outline of the history of the sub ject presented in the following pages will probably enable most honest inquirers to appreciate the practical uselessness Of water Witching and other applications of the divining rod but those who wish to delve further into the mysteries of the subject are referred to the literature cited in the bibliography in which they will find reports in painful detail of exhaustive investigations and pseudo investigations of every phase of the subject and every imaginable explanation of the supposed phenomena It is doubtful whether so much investigation and discussion have been bestowed on any other subject with such absolute lack of posi tive results It is difficult to see how for practical purposes the entire matter could be more thoroughly discredited and it should be obvious to everyone that further tests by the United States Geo logical Survey of this so called Witching for water oil or other minerals would be a misuse of public funds About the Publisher Forgotten Books publishes hundreds of thousands of

rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

*The Divining Rod* Arthur Jackson Ellis,1997-02-01 The use of a forked twig or so called divining rod in locating minerals finding hidden treasure or detecting criminals is a curious superstition that has been a subject of discussion since the middle of the sixteenth century and still has a strong hold on the popular mind even in this country as is shown by the large number of inquiries received each year by the United States Geological Survey as to its efficacy especially for locating underground water and the persistent demands that it be made a subject of investigation by the Survey The bibliography shows that a truly astonishing number of books and pamphlets have been written on the subject The purpose of the present brief paper is not to add another contribution to this enormous volume of uncanny literature but merely to furnish a reply to the numerous inquiries that are continually being received from all parts of the country The outline of the history of the subject presented in the following pages will probably enable most honest inquirers to appreciate the practical uselessness of water witching and other applications of the divining rod but those who wish to delve further into the mysteries of the subject are referred to the literature cited in the bibliography in which they will find reports in painful detail of exhaustive investigations and pseudo investigations of every phase of the subject and every imaginable explanation of the supposed phenomena

**The Science of Basic L-Rod Dowsing** Richard Warburton,2025-02-20 Dowsing has been a known practice for at least 500 years with some evidence suggesting it may have been used for millennia Historically dowsers used a forked Y shaped stick following the movement toward the presence of water minerals or other objects located beneath the ground Today the most common tool used is a wire bent into the shape of an L leading to the term L rod dowsing Only a few of dowsing's many forms appear to have a clear physical basis

such that some physical phenomenon in the environment causes a physiological response in the body Despite the many studies performed in the past none have resulted in a comprehensive testable explanation for how dowsing works This book reviews and critiques some of the common explanations for L rod field dowsing describes an investigation into various aspects of L rod dowsing and proposes a mechanism which explains the physical observations Building on the prior scientific studies it presents a theory based on well known scientific principles for the physical component of dowsing     *The Divining Rod* Charles Latimer,2017-08-14 This little booklet contains a great deal of very interesting lore on dowsing variously an attempt to find water or minerals using a Y shaped or similar instrument often of wood but also metal or bone It contains a bit of history on the use of the same from ages then already past especially in France The folklore of dowsing still in use today is fascinating but this work contains a good degree of secondary material on the subject which is quite in depth while supporting dowsing s reality the entire time     **The Divining Rod, a History of Water Witching, with a Bibliography.**

**By Arthur J. Ellis** Arthur J. Ellis,1917     **The Divining Rod: Virgula Divina-Baculus Divinatorius, Water-witching**  
Charles Latimer,1876     **The In-Betweens** Mira Ptacin,2019-10-29 A young writer travels to Maine to tell the unusual story of America s longest running camp devoted to mysticism and the world beyond They believed they would live forever So begins Mira Ptacin s haunting account of the women of Camp Etna an otherworldly community in the woods of Maine that has since 1876 played host to generations of Spiritualists and mediums dedicated to preserving the links between the mortal realm and the afterlife Beginning her narrative in 1848 with two sisters who claimed they could speak to the dead Ptacin reveals how Spiritualism first blossomed into a national practice during the Civil War yet continues even thrives to this very day Immersing herself in this community and its practices from ghost hunting to releasing trapped spirits to water witching Ptacin sheds new light on our ongoing struggle with faith uncertainty and mortality Blending memoir ethnography and investigative reportage The In Betweens offers a vital portrait of Camp Etna and its enduring hold on a modern culture that remains as starved for a deeper sense of connection and otherworldliness as ever     **Scientific American** ,1918     The Complete Book of Dowsing & Divining Peter Underwood,1980-08 This comprehensive volume on dowsing and divining from the twig and the pendulum to motorscopes and bare hands traces the story of these fascinating and enigmatic phenomena from its origins in the world of fairy tales and mythology to recent theories that the enigma can be explained in terms of present day psychology The force present in the act of dowsing and divining can be compared to the sensitivity of men and women suffering from rheumatism who feel in advance changes of weather Theories that have been brought forward to explain its presence include suggestion radiation colour the existence of a sixth sense and changes in the earth s magnetic field As there are many possible explanations there are also many types and applications of dowsing and divining map dowsing being eggs radesthesia the diagnosis and cure of disease locating missing persons forces fields and rays and detecting thieves The author tells of dowsers past and present Robert Leftwich who located abandoned tunnels and other

underground hazards Major Harold Spary who dowsed for the Royal Aircraft Establishment and the Royal Engineers during World War II William Young who charged 200 a day in 1971 for dowsing Tom Lethbridge who investigated Viking graves on Lundy Island Henry Gross who discovered Bermuda's first natural wells Even today large building and contracting firms employ resident site engineers who use sophisticated sets of divining rods The book introduces us in lucid and readable style to the fascinating world of dowsing and divining and gives the reader full instructions on how to attempt to become one of this international community     *The New Zealand Journal of Science and Technology* ,1924

### **The Divining Rod A History Of Water Witchinh Introduction**

In todays digital age, the availability of The Divining Rod A History Of Water Witchinh books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Divining Rod A History Of Water Witchinh books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Divining Rod A History Of Water Witchinh books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Divining Rod A History Of Water Witchinh versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, The Divining Rod A History Of Water Witchinh books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Divining Rod A History Of Water Witchinh books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Divining Rod A History Of Water Witchinh books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and

researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Divining Rod A History Of Water Witchinh books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Divining Rod A History Of Water Witchinh books and manuals for download and embark on your journey of knowledge?

### **FAQs About The Divining Rod A History Of Water Witchinh Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Divining Rod A History Of Water Witchinh is one of the best book in our library for free trial. We provide copy of The Divining Rod A History Of Water Witchinh in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Divining Rod A History Of Water Witchinh. Where to download The Divining Rod A History Of Water Witchinh online for free? Are you looking for The Divining Rod A History Of Water Witchinh PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another The Divining Rod A History Of Water Witchinh. This method for see exactly what may be included and adopt these ideas to your book.
