The Disappearance:

The Disappeared Sandra Peake, Orla Lynch, 2024-09-02 This short book focuses on the Disappearances that occurred during the Troubles in Northern Ireland. Using in depth interviews with thirteen families of those individuals who were abducted, murdered and secretly buried from the 1970s onwards, this book examines the experience of the families and communities left behind. Through an exploration of the historic and cultural origins of the contemporary IRA and how they came to be in the position of power within Catholic Nationalist communities during the Troubles, the context to the disappearances are presented. This book reviews the journey undertaken by the families from the initial disappearance of their loved one and the suffocating silence that followed through their coming together as a self help group. It follows their lobbying on a national and international basis leading to the return of the bodies of some of their loved ones and the solidarity which leads them to fight on as a group to recover the bodies that remain missing. It also examines the involvement of the British and Irish and American governments in the set up of the International Commission for the Location of Victim's Remains and tells the story of the Clinton's personal involvement in supporting the families in their ongoing quest for recovery. It is written accessibly for researchers and practitioners.

For Shame, Boone! For Shame, Iowa! The Disappearance of Norma Maynard Sidney S. Louis, 2017-08-28 For Shame Boone For Shame Iowa The Disappearance of Norma Maynard By Sidney S Louis. If you have a hidden secret wish to be Sherlock Holmes and who doesn't really like the Norma Maynard story is for you. An innocent woman was murdered and made to vanish as if she had never existed. City of Boone county of Boone and Iowa state level law enforcement were unable to determine what happened. To this day it is not known exactly when the missing woman was murdered. Who committed the murder. How it was done. Why it was done. Where the missing woman's remains are. Join the author as he fights for twelve years to have his sister's murder properly investigated only to be met with a stone wall of resistance from Iowa officials at city, county and state level. The author provides readers with the ability to set up their own investigative files. He helps them devise a scale to measure the effectiveness of officials that are part of the story. The reader will be able to question with some authority why the Norma Maynard case has not been resolved. Was this a deliberate choice by Iowa law enforcement and legal and judicial officials? If you elect to sleuth along with the author will you be the one to solve the almost forty year riddle of the disappearance of Norma Maynard?
