## The Divine Comedy Part 2 Purgatory:

**The Divine Comedy, Part 2: Purgatory** Dante Alighieri, 2009-10-30 The Divine Comedy Purgatory written by legendary author Dante Alighieri is widely considered to be one of the top 100 greatest books of all time. This great classic will surely attract a whole new generation of readers. For many The Divine Comedy Purgatory is required reading for various courses and curriculums. And for others who simply enjoy reading timeless pieces of classic literature this gem by Dante Alighieri is highly recommended. Published by Classic Books International and beautifully produced The Divine Comedy Purgatory would make an ideal gift and it should be a part of everyone's personal library. *The Divine Comedy: Purgatorio (2 v.)* Dante Alighieri, 1991. Dante's classic is presented in the original Italian as well as in a new prose translation and is accompanied by commentary on the poem's background and allegory. *Dante* Dante Alighieri, 1955. *The Divine Comedy: pt. 1. Purgatorio; Italian text and translation. pt. 2. Purgatorio; commentary* Dante Alighieri, 1970. *Dante's Purgatory* Anthony Esolen, Ph.D., 2012-01-01. We Know What Happens in Hell But What about Purgatory? Dante's Inferno revealed some titillating details about the punishments inflicted on sinners but in a way we already knew what happens to people in Hell. What we don't know is what happens to people who end up in Purgatory. In this second part of The Divine Comedy, Dante probes the mysteries of that strange and often misunderstood place between earth and Heaven. Climb the Mount Purgatory is a place to work through; no one gets stuck there forever. The souls in Dante's Purgatory must climb up seven terraces on Mount Purgatory before they can reach Heaven. On these terraces Dante and Virgil find The prideful who are forced into humility by heavy loads of stones on their backs. The envious whose eyes are sewn shut to prevent them from seeing the goods of others. The wrathful climb through choking smoke which represents the blinding nature of anger. The slothful engage in ceaseless activity to overcome their former laziness. The covetous who must lie face down on the ground for their attachment to earthly goods. The gluttonous must starve in sight of unreachable fruit hanging from trees above them. The lustful are purified by running through a wall of flame which represents God's pure love. Along the way they are cleansed from the stains of sin by punishments which are like and very unlike those suffered by the sinners in Hell. Here the suffering souls glorify God and rejoice in their suffering because they know it prepares them for the eternal bliss of Heaven. A Real Place Virgil and Dante discover the astonishing spiritual reality of Purgatory as they climb through the terraces on Mount Purgatory. Dante created a poetic vision which might be the best imaginative representation of Purgatory ever written. While his poem might not reflect the actual nature of Purgatory his insights can help us understand it better. Your Expert Guide A celebrated translator and teacher of Dante Professor Esolen interprets and describes the rich theological insights discovered by Dante on his journey up the mountain. Join Dante Virgil and Professor Esolen to continue the journey begun in the Inferno which will culminate in the ineffable beauty of Paradise.

brings the classic text alive for the twenty first century    [China and the True Jesus](#) Melissa Wei-Tsing Inouye,2018-12-03 In 1917 the Beijing silk merchant Wei Enbo's vision of Jesus sparked a religious revival characterized by healings exorcisms tongues speaking and most provocatively a call for a return to authentic Christianity that challenged the Western missionary establishment in China. This revival gave rise to the True Jesus Church China's first major native denomination. The church was one of the earliest Chinese expressions of the twentieth century charismatic and Pentecostal tradition which is now the dominant mode of twenty first century Chinese Christianity. To understand the faith of millions of Chinese Christians today we must understand how this particular form of Chinese community took root and flourished even throughout the wrenching changes and dislocations of the past century. The church's history links together key themes in modern Chinese social history such as longstanding cultural exchange between China and the West imperialism and globalization game changing advances in transport and communications technology and the relationship between religious movements and the state in the late Qing circa 1850 1911 Republican 1912 1949 and Communist 1950 present day eras. Vivid storytelling highlights shifts and tensions within Chinese society on a human scale. How did mounting foreign incursions and domestic crises pave the way for Wei Enbo a rural farmhand to become a wealthy merchant in the early 1900s? Why did women in the 1920s and 30s such as an orphaned girl named Yang Zhendao devote themselves so wholeheartedly to a patriarchal religious system? What kinds of pressures induced church leaders in a meeting in the 1950s to agree that Comrade Stalin had saved many more people than Jesus? This book tells the striking but also familiar tale of the promise and peril attending the collective pursuit of the extraordinary how individuals within the True Jesus Church in China over the past century have sought to muster divine and human resources to transform their world    **Catalogue of Macmillan & Co. [Dante's Purgatorio](#) Dante Alighieri,2012-05 In his introduction to THE INFERNO the translator says I suppose that a very great majority of English speaking people if they were asked to name the greatest epic poet of the Christian era in Western Europe would answer Dante. THE DIVINE COMEDY continues to be widely read today whether for its religious inspiration or for the sheer power of its verse. In the second part of the epic THE PURGATORIO Dante climbs out of the pit of Hell with the guidance of the ancient Roman poet Virgil who then takes him on a journey up the mountain of Purgatory. Here we find the souls of those who died in sin but whose transgressions have not placed them irredeemably beyond the saving grace of God's mercy. Sooner or later they WILL reach Heaven. A first rate English language rendition of a classic of western literature
