The Diviner

Sir Norman Lockyer

The Diviner:

The Diviner Joe Cassidy, 2012-04-05 Though many of us suspect that there is more to the physical world than meets the eye reading diviner Joe Cassidy's story simply called *The Diviner* is still both amazing and inspiring an experience akin to reading Lorna Byrne's biography *Angels in my Hair* Joe Cassidy connects with what lies beneath the surface He knows a side of life that is at once familiar mysterious and powerful In his work he sees the terrible consequences of curses placed on houses or of ancient sacred sites destroyed He has a unique insight into the torments caused to the living by trapped spirits and natural phenomena that stress the landscape In *The Diviner* Joe explains the ancient art he practices He describes how he discovered his gift and why he resisted it for many years suffering the consequences in stress and ill health Over a decade ago he realised he had to accept his destiny and despite having a young family he began working as a diviner Since then has worked on over five thousand cases Joe does not advertise but somehow people find him Everyone from housewives and lorry drivers to lawyers and record company executives turns up at his door What they each sense is that Joe's timeless insights can help with a problem that appears insoluble *The Diviner* is a story of listening divining and healing that throws a light on a side of life that is both ancient and still very much part of modern life And it is a fascinating and uplifting story of a life less ordinary Joe Cassidy lives with his wife and family in Co Kildare and is in his fifties His daughter is the author Laura Jane Cassidy He has been practicing as a diviner for the past ten years

The Missionary and the Diviner Michael C. Kirwen, 1987 In a series of conversations a Christian missionary and an African diviner challenge and compare one another's views on fundamental theological questions What is the meaning of God of family and community Of sickness and healing death and the afterlife good and evil These discussions tellingly reveal both the vitality of traditional African religions and Christianity's ethnocentrism when faced with basic issues of African life *The Missionary and the Diviner* demonstrates how and why a culturally informed approach to evangelization is essential to the indigenization of Christianity

The Diviner's Tale Bradford Morrow, 2011-01-01 Cassandra Brooks is a single mother of two schoolteacher and water diviner Deep in the woods as she dowses the land for a property developer she is confronted by the body of a young girl swinging from a tree hanged When she returns with the authorities the body has vanished Already regarded as an eccentric her story is disbelieved until a girl turns up in the woods alive mute and identical to the girl in Cassandra's vision In the days that follow Cassandra's visions become darker and more frequent as they begin to take on a tangible form Forced to confront a past she has tried to forget Cassandra finds herself locked in a game of cat and mouse with a real life killer who has haunted her for longer than she can remember At once an ingeniously plotted mystery and a magical love story *The Diviner's Tale* will pull you helplessly down into Cassandra's luminous world
