shimmering with an inner light that seemed to pulse with the rhythm of a great heart When shadow falls and hope grows dim the prophecy began and pestilence claims the fertile rim a dragon s heart shall light the way to drive the endless night to day The chosen one with spirit true must seek the Flame of Midnight Blue for only through the dragon s quest can mortal realms find lasting rest As Aldric read these words aloud the very stones of the library seemed to hum with anticipation Outside storm clouds gathered with unnatural speed and lightning split the sky in patterns that resembled ancient runes The old monk knew that prophecies did not reveal themselves without purpose and the timing of this discovery could be no mere coincidence
