**Research on Teacher Education** John P. Sikula, Association of Teacher Educators, 1996 The first edition of this text sought to provide a basis for improving the education of teachers at every level. Committed to the idea that the betterment of teacher education is essential to the improvement of schools, it provided understanding of the research so that professionals could compare, evaluate, and create effective programmes. *A Resource Guide for Teaching* Richard Dean Kellough, 1997 Practical and thorough, this engaging resource guide truly practices what it preaches: hands on activities, rich research based, performance driven teaching. Coverage integrates the best ideas from a broad spectrum of instructional approaches into an eclectic teaching model that the author characterizes as multilevel instruction. This is truly one of the most comprehensive books on the market today, made even better in this latest edition. Coverage includes the relationship among curriculum, standards, assessment, and high stakes testing, what's need to establish and maintain a supportive learning environment, and updated information on outstanding school programs. For professionals in the field of teaching.
