Socialist Network:

The Socialist Network Nesta Helen Webster, 1926 The object of this book is not to provide a history of Socialism but merely an account of the Socialist organizations of modern times It gives accounts of persons connected with or giving rise to concrete societies or groups Contents origins of modern Socialism Marxian Socialism prewar period anarchism and syndicalism the war and pacifism Russian revolution world Bolshevism Bolshevism in Great Britain capture of trade unionism Bolshevisation of British trade unionism subsidiary Communist organizations pacifism postwar youth movements Socialism and Christianity *Inhuman Networks* Grant Bollmer, 2016-08-11 Social media's connectivity is often thought to be a manifestation of human nature buried until now revealed only through the diverse technologies of the participatory internet Rather than embrace this view Inhuman Networks Social Media and the Archaeology of Connection argues that the human nature revealed by social media imagines network technology and data as models for behavior online Covering a wide range of historical and interdisciplinary subjects Grant Bollmer examines the emergence of the network as a model for relation in the 1700s and 1800s and follows it through marginal often forgotten articulations of technology biology economics and the social From this history Bollmer examines contemporary controversies surrounding social media extending out to the influence of network models on issues of critical theory politics popular science and neoliberalism By moving through the past and present of network media Inhuman Networks demonstrates how contemporary network culture unintentionally repeats debates over the limits of Western modernity to provide an idealized future where the human is interchangeable with abstract flowing data connected through well managed distributed networks

The Socialist System Janos

Kornai, 1992-05-28 This book provides a comprehensive account of the structure conduct and performance of the centrally planned economies of Eastern Europe the USSR Communist China and the Marxist LDCs looking at 26 nations in all The author focuses on reform perhaps the most important issue facing countries such as the USSR Poland Hungary and China Bureaucracy soft budget constraints markets and the nature of the socialist state are the central issues that arise in the course of reforming a socialist economy The first half of the book deals with classical socialism and provides a theoretical summary of the main features of a now closed period of history The second half deals with the processes of reform and concludes that the reform of classical socialist systems is doomed to failure as they are unable to renew themselves internally

Transnational Socialist Networks in the 1970s Christian Salm, 2016-04-08 Transnational Socialist Networks in the 1970s argues that western European socialist parties transnational cooperation across national borders significantly influenced politics and policy making in what was the European Communities EC It focuses on the network like informal structures that characterised transnational cooperation between the party members and leaders of different socialist parties involved in European affairs Taking the example of two case studies namely EC development aid policy and EC southern enlargement policy the book demonstrates that the socialist parties strengthened their informal transnational network structures for the

purposes of debating ideological and programmatic issues and finding policy solutions to common challenges in both policy fields Moreover it shows that the networks developed various functions to influence European governance Against this background the analysis in this book makes not only a significant contribution to the study of transnational networks of western European socialist parties and the history of European integration but also adds to the understanding of the role of transnational networks in European politics and policy making **China's Legal System** Jingwen Zhu,Tao Meng,Hao Peng,Hui Feng,Xinyan Liu,Xiaolong Peng,2023-03-01 This book provides a systematic and detailed introduction to the formation process and current development of China's socialist legal system The classification of the constitution and constitution related laws criminal law civil and commercial law administrative law economic law litigation and non litigation procedural law social law and the specifics of each sector of law are explained which is a good guide for understanding the framework of China's legal system and the study of each sector of jurisprudence **The Post-socialist Media** Liana Giorgi,1995 This monograph examines the changing media landscape in Poland Hungary and the Czech Republic in the post socialist context **Socialism, New and Old** William Graham,1890 **The Socialist State** Edward Carter Kersey Gonner,1895 *Individualism, a System of Politics* Wordsworth Donisthorpe,1889 Chapter IX appeared originally in the Westminster review July 1886 cf Pref **Is Socialism Sound?** Annie Besant,George William Foote,1887 **To-day**,1885 **The Commonweal**,1899 **Daily Report**,1975-02 **Essays on Socialism** Annie Besant,1893 **The Typographical Journal**,1898 **Population and the Social System** Francesco Saverio Nitti,1894 **Socialism** Sir Henry John Wrixon,1896 **Daily Report**,1996 **The Speaker**,1899 **Socialism as an Economic System**,1987
