Social Problems In Canada

Francis J. Turner

Social Problems In Canada:

Recent Social Trends in Canada, 1960-2000 Lance W. Roberts, 2005 Canadian society has changed dramatically since 1960 This work captures the scope and range of these changes through a systematic documentation of seventy eight social trends The introduction summarizes and locates the major waves of change The authors then document each trend in relation to eighteen thematic groups that include age community women labour management stratification social relations the state mobilizing institutions social forces ideologies households lifestyle leisure education integration and attitudes and values In contrast to many recent works and journalistic reports *Recent Social Trends in Canada* concentrates on the trajectory of change rather than on current events It provides a longitudinal context in which unfolding events can be interpreted in a broader historical and international context Comparable volumes in the McGill Queen's Comparative Charting of Social Change series describe similar tendencies in the United States Quebec France Germany Italy Greece Russia and Bulgaria making it possible to situate the Canadian experience in a global context *Social Problems in Canada* Adie Nelson, Augie Fleras, 1998 Discusses addictions sex and sexuality crime inequality and poverty gender race ethnicity and aboriginality family media work and workplaces globalization and global problems etc *Social Problems* Lorne Tepperman, Josh Curtis, Rachel La Touche, 2020-01-15 Current and Canadian Social Problems explores the dynamics and consequences of social problems such as poverty sexism crime drug abuse health war and terrorism that impact Canada and the rest of the world Each problem is examined through a variety of theoretical paradigms before its impact both on individuals and society as a whole is explored *Social Problems* Lorne Tepperman, James E. Curtis, Albert Kwan, 2007 This is a core text for courses in social problems Using a strong Canadian perspective it examines the social dynamics and consequences of social problems such as unemployment poverty global inequality through the lens of the main sociological paradigms It takes a broad approach and examines the social construction of social problems and the impact of social problems on individual and societal health Possible solutions for individuals and society at large are examined *Social Problems* Lorne Tepperman, James E. Curtis, 2003 In this revised and updated second edition of *Social Problems A Canadian Perspective* Lorne Tepperman and Albert Kwan add two new constellations of issues to the list of challenges facing society today in Canada and around the world health illness and health care and sexual orientation and homophobia Each topic is examined first from a variety of theoretical perspectives structural functionalism conflict theory symbolic interactionism feminism social constructionism and then from the point of view of its impact both on individuals and on the population at large At the same time the authors emphasize the interrelatedness of many issue areas In addition to numerous tables and figures each chapter includes learning objectives study and discussion questions recommended readings and websites and a glossary as well as an extensive list of references **BOOK JACKET** **Encyclopedia of Canadian Social Work** Francis J. Turner, 2005-09-07 Annotation Covers over 500 topics important to Canadian social work Written by a highly diverse group of

experts and covering all aspects of the field nation wide **Social Problems in Canada** Augie Fleras, Adie Nelson, 2005
 Appropriate for second or third year university courses in Social Problems This revised edition of a well established and respected text looks at interpersonal inter group and institutional social problems in a Canadian context and also in the broader global context The author s approach that makes it particularly suitable for a course that focuses on conflict theory In addition to re structuring the organization and with a new chapter on Health attention has been given to making the pedagogical aids more teacher and user friendly **Aspects of the Social Problem** Bernard Bosanquet, 1897 *Shadows* Anthony Synnott, 1996 **Canadian Intellectuals, the Tory Tradition, and the Challenge of Modernity, 1939-1970** Philip Alphonse Massolin, 2001-01-01 This work analyses the development of a modern consciousness through the eyes of the most fervent critics of modernity adherents to the moral and value systems associated with Canada s tory tradition
Contemporary Canadian Social Issues Carmen Niessen, Rebecca Bromwich, 2008-06 **The Canadian Magazine** , 1894
The Canadian Woman's Annual and Social Service Directory , 1915 **Barometers of Quality of Life Around the Globe** Valerie Møller, Denis Huschka, Alex C. Michalos, 2008-09-16 Quality of life QOL research has made great strides since the social indicator movement started as a scientific enterprise in the 1960s Following the lead of pioneers in North America and Europe social scientists in other regions of the world have adopted and refined social data systems or barometers to monitor progress in enhancing the welfare and well being of citizens A distinctive feature of these barometers is that they measure both individual and societal quality of life While not overlooking the more basic needs and material standards of living the barometers also inform on issues of individual freedoms and choices and constraints on citizen empowerment that enhance and depress quality of life Designed to capture nuances in local definitions of the good life regional barometers are unique expressions of the obstacles facing different societies in their quest to achieve the good life Scholars of public policy as well as policy makers will find inspiration from reviews of innovative initiatives to monitor contemporary quality of life in six regions of the world spanning South America the Arctic Europe Africa Asia and Australia
North America Michael M. Brescia, John C. Super, 2009-01-01 This exquisitely written history of a complex but unstudied continent should be required reading for all residents of the emerging region of North America Robert A Pastor Professor and Director of the Center for North American Studies American University **Power and Resistance** Wayne Antony, 2020-05-06T00:00:00Z How do we make sense of the social problems that continue to plague Canadian society Our understanding of issues such as poverty racism violence homophobia crime and pollution stems from our view of how society is structured From the dominant neoliberal perspective social problems arise from individuals making poor choices From a critical perspective however these social troubles are caused by structural social inequalities Disparities in economic social and political power that is relations of power based on class race gender and sexual orientation are the central structural element of capitalist patriarchal colonialist societies The contributors to *Power and Resistance* use this critical perspective to

explore Canadian social issues such as poverty colonialism homophobia violence against women climate change and so on
