

An astronaut in a white spacesuit stands on a dark, cratered planet surface. A yellow flag on a pole is planted in the ground to the right of the astronaut. The flag has the text 'TEN BRAVE SECONDS' in large, colorful letters. The background is a dark blue space with white stars and a thin, curved horizon line.

Years of My Life (second Edition) ,1978 **Westminster Papers** ,1879 The Laws and Principles of Whist Stated and
Explained and Its Practice Illustrated on an Original System by Means of Hands Played Completely Through Cavendish,1884
It has often occurred to the author that there are two principal defects in the existing treatises on the game of whist the one
that the principles of play are in general laid down as so many isolated and arbitrary conventions the reasons upon which
such principles are based being seldom if at all and scarcely ever fully stated the other that suitable illustrations by which
alone the principles can be brought forcibly home and fixed in the memory are almost entirely wanting The present work is
an attempt to supply these deficiencies With regard to the latter the author feels that nothing in point of illustration of
principles can be so instructive as a selection of hands played completely through and accompanied by copious explanations
The idea it is believed as applied to whist is a new one though a similar plan has long been in use in treatises on chess It has
not been deemed necessary to occupy space by detailing the mode of playing and of scoring as this information can be
readily acquired at the table The reader is therefore credited with this elementary knowledge and is conducted at once to the
general principles which he is advised to consider carefully before proceeding to the hands *Windplayer* ,1993 *Ten*
