Ten Amazing People:

Ten Amazing People Maura D. Shaw, 2002-09-01 *Ten Amazing People* shows kids that spiritual people can have an exciting impact on the world around them. *Ten Amazing People* uses vibrant pictures, fascinating profiles, and a wealth of intriguing information to bring to life the passion and actions of some of the past century's greatest leaders. Through thought, deed, and determined spiritual lives, these amazing people changed our world for the better. Coming from different backgrounds and faiths, representing different cultures and countries from around the globe, all of them had one thing in common: the belief that they had the power to make a difference by helping other people. This important and inspiring book is for children, parents, teachers, and librarians who care about what these ten amazing people cared about: peace among nations, protecting the environment, helping the poor and disadvantaged, racial equality, and making the world a better place. Ideal for character education.

Writing--the Sacred Art

Rami Shapiro, Rami M. Shapiro, Aaron Shapiro, 2012

This isn't about how to write spiritual books. It isn't about the romance of writing. It doesn't cover the ins and outs of publishing and building a brand. Instead, this fresh and unapologetic guide to writing as a spiritual practice approaches writing as a way to turn the spiral of body, heart, mind, soul, and spirit that leads to spiritual awakening.

Restoring Life's Missing Pieces Caren Goldman, 2011

A powerful and thought-provoking look at reunions of all kinds as roads to remembering and re-membering ourselves. Reunions with people, places, things, and ourselves happen every day around us and within us. Whether to participate or not will always be your choice. From the Introduction: Explore humankind's timeless, universal, and deeply spiritual desire to reunite for the sake of healing and wholeness. Whether we wander far from home or reminisce from our favorite armchair, people of all faiths or none whatsoever undertake journeys to remember, restore, and re-member the missing pieces of our stories, psyches, and souls. Do you occasionally Google a person from your past in hopes of catching up? Do you leaf through old address books to try to call someone for the first time in decades? When you visit gravesites or memorials, can you pinpoint what drew you there? Have you felt an urge to revisit your birthplace or travel to your ancestors' homelands? Do you feel compelled to attend an upcoming high school, family, or other reunion? If not, why not? Delve deeply into ways that your body, mind, and spirit answer the Spirit of Reunion's calls to reconnect with people, places, things, and self.
