**Love Them Anyway**

Choco De Jesús,2021-06-01 Love breaks through defenses and destroys walls that divide us Love demands more of you and me than we often want to give It's easy to love a lovely person but what about them What about that stereotype that race that person or group of people in a political cultural or socioeconomic class who don't behave like you don't believe like you and if you are honest make you uncomfortable What is love in this context We read that Jesus broke boundaries to love the people that many detested His love was transformative because His love saw past disagreement indifference and offense Loving them Like this That's hard If you consider yourself a Christian then love should be your primary characteristic But it seems that division defines us in our society where rage and anger abound Today many people see Christians as angry followers of God who are more interested in winning political arguments than loving people If we say we follow Jesus but are not loving like Him then what's the point There is a better way Using the incredible story of how Pastor Choco chose to love them anyway to transform the crime ridden community of Humboldt Park in Chicago Love Them Anyway will inspire you to love in a way you never have This book will pave a compelling path for you to both express and experience a truly transformative love on a deep level It will tap into your deepest desires expose your hesitations connect you deeper with God's love and help you take bold steps to love the people around you and your love will change lives When you learn to Love Them Anyway your passion will be redirected your purpose will be refined and you will see God use you in ways you could never have imagined Love is hard It's not convenient and it's not always safe But love is beautiful Love is contagious It breaks through defenses and destroys walls that divide us Love is the answer So love them anyway Redirect your passion refine your purpose and see God use you in ways you never imagined
