Teni Voiny:

Beyond the Pale Crispin Brooks, Kirill Feferman, 2020 The first book devoted exclusively to the Holocaust in the North Caucasus exploring mass killings Jewish responses collaboration and memory in a region barely known in this context

Russia in War and Revolution Gary M. Hamburg, 2021-03-01 Fyodor Sergeyevich Olferieff 1885 1971 led a remarkable life in the shadows of history This book presents his memoirs for the first time translated and annotated by his granddaughter Tanya A Cameron Born into a noble family Olferieff was a Russian career military officer who observed firsthand key events of the early twentieth century including the 1905 7 revolution the Great War the collapse of the imperial state and the civil wars in Ukraine and Crimea Olferieff wrestles with moral and political questions wondering whether his own advantages could be justified and whether if born a peasant he might have thrown himself into the revolution As Gary Hamburg writes in an illuminating companion essay Olferieff wrote to understand himself and to record his broken life for posterity as a privileged observer of a bloody historically pivotal era *The Russian Revolution of 1905* Anthony J. Heywood, Jonathan D. Smele, 2013-04-03 2005 marks the centenary of Russia's first revolution an unplanned spontaneous rejection of Tsarist rule that was a response to the Bloody Sunday massacre of 9th January 1905 A wave of strikes urban uprisings peasant revolts national revolutions and mutinies swept across the Russian Empire and it proved a crucial turning point in the demise of the autocracy and the rise of a revolutionary socialism that would shape Russia Europe and the international system for the rest of the twentieth century The centenary of the Revolution has prompted scholars to review and reassess our understanding of what happened in 1905 Recent opportunities to access archives throughout the former Soviet Union are yielding new provincial perspectives as well as fresh insights into the roles of national and religious minorities and the parts played by individuals social groups political parties and institutions This text brings together some of the best of this new research and reassessment and includes thirteen chapters written by leading historians from around the world together with an introduction from Abraham Ascher *Национальные интересы: приоритеты и безопасность* No 18 (303) 2015, 2017-05-20 *Canadian Slavonic Papers*, 1986 *Свет и тени партизанской войны* Kazi-Magomet Aliev, 2003 **Stalin** Stephen Kotkin, 2017-10-31 Monumental The New York Times Book Review Pulitzer Prize finalist Stephen Kotkin has written the definitive biography of Joseph Stalin from collectivization and the Great Terror to the conflict with Hitler's Germany that is the signal event of modern world history In 1929 Joseph Stalin having already achieved dictatorial power over the vast Soviet Empire formally ordered the systematic conversion of the world's largest peasant economy into socialist modernity otherwise known as collectivization regardless of the cost What it cost and what Stalin ruthlessly enacted transformed the country and its ruler in profound and enduring ways Building and running a dictatorship with life and death power over hundreds of millions made Stalin into the uncanny figure he became Stephen Kotkin's Stalin Waiting for Hitler 1929 1941 is the story of how a political system forged an unparalleled personality and vice versa The

wholesale collectivization of some 120 million peasants necessitated levels of coercion that were extreme even for Russia and the resulting mass starvation elicited criticism inside the party even from those Communists committed to the eradication of capitalism But Stalin did not flinch By 1934 when the Soviet Union had stabilized and socialism had been implanted in the countryside praise for his stunning anti capitalist success came from all quarters Stalin however never forgave and never forgot with shocking consequences as he strove to consolidate the state with a brand new elite of young strivers like himself Stalin s obsessions drove him to execute nearly a million people including the military leadership diplomatic and intelligence officials and innumerable leading lights in culture While Stalin revived a great power building a formidable industrialized military the Soviet Union was effectively alone and surrounded by perceived enemies The quest for security would bring Soviet Communism to a shocking and improbable pact with Nazi Germany But that bargain would not unfold as envisioned The lives of Stalin and Hitler and the fates of their respective dictatorships drew ever closer to collision as the world hung in the balance Stalin Waiting for Hitler 1929 1941 is a history of the world during the build up to its most fateful hour from the vantage point of Stalin s seat of power It is a landmark achievement in the annals of historical scholarship and in the art of biography **The Socialist Revolutionaries and the Russian Anti-war Movement, 1914-1917** Michael S.

Melancon,1990 **Handbook of Soviet and East European Films and Filmmakers** Thomas J. Slater,1992 A study of the film art that was still being produced behind the Iron Curtain even during such repressive regimes as those of Stalin and Brezhnev By means of detailed historiographical essays for each country it provides a history of cinematic evolution in the Soviet Union and Eastern Europe **Widener Library Shelflist: Slavic history and literatures** Harvard University.

Library,1971 **International Aerospace Abstracts** ,1985 **Russian Studies of American Literature** Valentina A. Libman,1969 *Leonid Zurov. [Mit Portr.] - Fresno, Cal.: Pioneer Publ. 1973. X, 116 S. 8°* Libor Brom,1973 **Dictionary Catalog of the Slavonic Collection** New York Public Library. Slavonic Division,New York Public Library. Research Libraries,1974 **United States History & Historiography in Postwar Soviet Writings 1945-1970** ,1976 Monthly List of Russian Accessions ,1957 A Catalogue of Russian Avant-garde Books 1912-1934 Peter Hellyer,1994 Introduction by Christine Thomas curator of Russian collections *Proceedings of the Comparative Literature Symposium* ,1968 *Ethnic Literatures Since 1776* Wolodymyr T. Zyla,Wendell M. Aycock,1978 Ethnic Literatures Since 1776 ,1978
