We Are Home Ray Suarez, 2024-04-23 From a veteran broadcaster and historian comes a richly reported portrait of the newest Americans immigrants from all over the globe who are living all across the country filled with their own voices We are a nation of immigrants never more than now In recent decades the numbers have skyrocketed thanks to people coming from many continents especially Asia Africa and South America Just like their predecessors they face countless obstacles including political hatred And yet just like their predecessors they work hard They persist And they become us The newest Americans are poorly understood and frequently presented only in stereotypes Veteran journalist broadcaster and interviewer Ray Suarez has criss crossed the country to speak to new Americans from all corners of the globe and to record their stories This portrait of our newest citizens is full of their own compelling voices It s a story as old as the country yet each new wave of arrivals tells that classic story in new and crucially important ways
