Rambo Family Tree, Volume 5 Ronald S. Beatty, 2009-05 Peter Gunnarson Rambo son of Gunnar Petersson was born in about 1612 in Hisingen Sweden He came to America in 1640 and settled in Christiana New Sweden now Delaware He married Brita Mattsdotter 7 April 1647 They had eight children He died in 1698 His daughter Gertrude Rambo was born 19 October 1650 She married Anders Bengtsson Descendants and relatives lived mainly in Pennsylvania Delaware Virginia North Carolina and Ohio *Young Heroes of the Confederacy* Debra Smith, 2012-10-31 The Civil War is a topic well known to readers of all ages However it is the bravery and strength of the young men and women that is often forgotten Born into a set of circumstances beyond their control these children of the 1860s faced the ultimate test of character and courage Stories of courage in the face of starvation and death told through biographies of young people from each of the Confederate states reveals just what kind of heroes they were *Appalachian Journal*, 1993 A regional studies review Railroads in the Old South Aaron W. Marrs, 2022-02-03 An original history of the railroad in the Old South that challenges the accepted understanding of economic and industrial growth in antebellum America Drawing from both familiar and overlooked sources such as the personal diaries of Southern travelers papers and letters from civil engineers corporate records and contemporary newspaper accounts Aaron W Marrs skillfully expands on the conventional business histories that have characterized scholarship in this field He situates railroads in the fullness of antebellum life examining how slavery technology labor social convention and the environment shaped their evolution Far from seeing the Old South as backward and premodern Marrs finds evidence of urban life industry and entrepreneurship throughout the region But these signs of progress existed alongside efforts to preserve traditional ways of life Railroads exemplified Southerners pursuit of progress on their own terms developing modern transportation while retaining a conservative social order Railroads in the Old South demonstrates that a simple approach to the Old South fails to do justice to its complexity and contradictions The time is right to bring the South into the story of the economic transformation of antebellum America Aaron Marrs does this with force and grace in *Railroads in the Old South* John L Larson Purdue University I am hard pressed to think of another volume that better catches the overall effect railroads had on the Old South Kenneth W Noe Auburn University Interesting regional history It is a thoughtful and instructive study that examines not only the pervasiveness of transportation but also some of the social political and economic consequences associated with the evolution of southern railroads Choice Family Puzzlers, 1985 Flipping Flippins, 1998 **Genealogical & Local History Books in Print**, 1997 History and Biographical Sketches of the 46th Tennessee Infantry C.S.A., 1992 **Pickett's Charge at Gettysburg** James A. Hessler, Wayne Motts, 2015-06-19 A battlefield guide to the sites and history of the climactic attack during the American Civil War's Battle of Gettysburg 150 years after the event the grand near suicidal attack against the Union position on Cemetery Ridge still emotionally resonates with Gettysburg enthusiasts like no other aspect of the battle On the afternoon of July 3 Confederate

Gen Robert E Lee ordered more than 12 000 Southern infantry to undertake what would become the most legendary charge in American military history This attack popularly but inaccurately known as Pickett s Charge is often considered the turning point of the Civil War s seminal battle of Gettysburg Although much has been written about the battle itself and Pickett s Charge in particular Pickett s Charge at Gettysburg is the first battlefield guide for this celebrated assault After the war one staff officer perceptively observed that the charge has been more criticized and is still less understood than any other act of the Gettysburg drama Unfortunately what was true then remains true to this day The authors of this book two of Gettysburg s elite Licensed Battlefield Guides along with one of the Civil War s leading cartographers have corrected that oversight Grounded in the premise that no better resource exists for understanding this unique event than the battlefield itself Pickett s Charge at Gettysburg encourages its readers to explore this storied event from a wide variety of perspectives For the first time readers can march toward the Copse of Trees with Armistead s Virginians advance on the Confederate left with Pettigrew s North Carolinians or defend the Angle with Alonzo Cushing s gunners and thousands of Union soldiers There is much here to enrich the experience including dozens of full color original maps scores of battlefield and other historic photographs a unique mix of rare human interest stories a discussion of leadership controversies and a rare collection of artifacts directly related to the charge Pickett s Charge at Gettysburg is designed for readers to enjoy on or off the battlefield and will give Civil War enthusiasts an entirely new appreciation for and understanding of Gettysburg s third day of battle Extremely well done designed as a tour guide to the area of the battlefield where the famous July 3 1863 Confederate assault on the center of the Union Line took place the heart of any tour guide is maps and that feature is served up in exemplary fashion here far more than just maps The two text authors are battlefield guides and the detail provided is immense strongly recommended Civil War News     The Shackelford Quarterly ,1993     *Rebel Sons of Erin* Ed Gleeson,1993 The Tenth Tennessee Infantry was a small but deadly regiment of expert riflemen Led by Colonel Randall McGavock the unit inflicted heavy casualties on the Union Army in the West throughout the Civil War     Histoire Sociale ,1995     **Bulletin of the Whatcom Genealogical Society** ,1985     **Civil War Regiments** ,1996     *Southern Studies* ,2006 An interdisciplinary journal of the South     *Resistance to the Institutionalization of Schooling in the Antebellum Southern Highlands* Janis Price Greenough,1999     **Taylors and Tates of the South** Ann Kicker Blomquist,1993 James Taylor 1731 1815 married Ann Owen 1738 1814 in Virginia and lived in Cumberland County Virginia Henry County Virginia and Grainger County Tennessee Joseph Tate 1797 1856 married Lucinda Hughes Gregory 1809 1877 and lived in Union County South Carolina and Pickens County Alabama Descendants live throughout the South     *War Like the Thunderbolt* Russell S.
