Tennis School:

Prep Kristin White,2025-07-10 This book is jam packed with information analysis and advice for parents interested in boarding school for their child It includes inside information on admissions strategies sports recruiting art and music portfolios and more and shows parents how to evaluate boarding schools and make an informed decision for their child s education Families, Pre-School Sport, and Physical Activity Georgia Allen-Baker,Philippa Velija,2025-08-08 Bringing together international authors writing from a social science perspective on babies toddlers and pre school sport and physical activity this book explores the social and cultural context in which children under five take part in sport and physical activity The book provides a wider understanding of how under five sport and physical activity PA can be understood and how parents decisions are shaped by economic cultural and changing family work and social settings As early childhood is increasingly understood as a time when children are impacted by inequality poverty and unequal access to opportunities the text considers how access to enrichment activities may exacerbate inequalities in a post pandemic society and during a cost of living crisis The book is organised into three parts covering theoretical concepts of childhood and parenting and then presents parent perspectives and inclusion in pre school sport and PA from a UK and international perspective respectively This is an excellent introduction to the key trends and patterns in under fives sport and PA for undergraduate and postgraduate students studying sport studies sport management sport science sociology and cultural studies It helps students to consider how these patterns can be understood through a socio cultural lens on equality families childhood and parenting It is also a valuable resource for academics and researchers in sport sociology and social sciences more broadly

Sport Development in the United States Peter Smolianov,Dwight Zakus,Joseph Gallo,2014-09-15 The development of both elite high performance sport and mass participation grassroots level sport are central concerns for governments and sports governing bodies This important new study is the first to closely examine the challenges and opportunities for sports development in the United States a global sporting giant with a unique market driven sporting landscape Presenting an innovative model of integrated sports development the book explores the inter relationship between elite and mass sport across history drawing on comparative international examples from Australia to the former USSR and Eastern bloc countries At the heart of the book is an in depth empirical study of three traditional and emerging sports in the US tennis soccer and rugby that offer important lessons on the development of elite sport methods for increasing participation and the establishment of new sports in new markets No other book has attempted to model sports development in the United States in such depth before Therefore this should be essential reading for all students researchers administrators or policy makers with an interest in sports development sports management sports policy or comparative international sport studies A Critical History of Health, Sport, and Physical Education Michelle Gorzanelli,Jorge Knijnik,2025-07-01 This book fills a gap in literature by generating a combined history of Physical Education PE School Sport SS and Health Education HE in New

South Wales NSW public schools from 1880 to 2024 It includes broad discussions on how political issues such as the World Wars influenced i the PE curriculum which was used as a medium to prepare a fit army ii the school sport system which acted as an expression of national strength via showcasing sporting prowess on the international stages of the Olympic Games and iii the health education curriculum which addressed infectious diseases resulting from poor hygiene associated with poverty The book also adopts a socio cultural perspective to the constructs of PE SS and HE curricula and highlights significant local national and international historical events and issues as factors driving curriculum developments and paradigm shifts in these subjects in the NSW public education and beyond It brings new and engendering socio historical findings to the discipline fields of PE SS and HE combined with an innovative methodology in critical historiographical studies

New York Magazine ,1979-05-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
