**Undertow** Drake Douglas,1984      *The Undertow* Theodora Lington,2025-07-10 The Undertow is a love story but it s not a romance novel It is about the death of people and of things within us and bringing those things back to life It talks about some truths that are stranger than fiction about the long span of the arc from disaster to success It talks about plants but has nothing to do with gardening It explores the meaning of life but knows better than to attempt to provide answers It does

betray some biases That sometimes it is better not to know so much that you can t say yes It is about conviction and doubt about the preciousness of time about the preciousness of being alive and about the things we do that act on what we know
