The Old Town (Classic Reprint) Jacob A. Riis, 2017-09-18 Excerpt from *The Old Town* How small this world of ours is and how close we are all unknowing to one another I had set out to write the story of the Old Town with no thought that it touched the land across the seas and its people in any closer way than through these pages and through the abiding affection of a few of its children who like myself have wandered far from home And while I wrote there fell into my hands the account Of a sale of some building lots half a dozen years ago in Jersey City part of a property which for three hundred years had belonged to the Van Riepen family And the Van Riepen name was shown to mean from Ribe the Old Town itself This is the historical record About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
