Arlie Sheelin,2022-08-05 The Ways of Light Where there is light darkness must flee The Fae are people of light empowered by the energy of the Sun They live in the light they play in the light they heal in the light yet they are ruled by the darkest Fae king in all their long history Baylen Knight dark dangerous and stalked by evil A man given a crown he did not want Baylen is a man consumed by grief and guilt from the death of past mates at the hands of his enemies He dare not love again His sanity his very soul would not survive another loss Baylen is a man adrift in the darkness Aliora Aurelius is unique She is magic She is light A being not seen since the war that drove the Fae from their home world over a thousand years ago Gentle kind and good she is a woman who boldly marches to her own drum Aliora is the light and where there is light darkness must flee

James Tucker,2005-07-01 Very few of the titles whether fiction or non take a serious analytical look at the Bible as a biblical scholar or theologian would This is where God's Inferno differs from the majority It utilizes logical rational reasoning to analyze what that Bible actually says not what most have been lead to believe It seriously attacks the present Christian faith as their tenants and doctrines are based on a very faulty interpretation of what the Bible actually says It maintains and proves the god of the Old Testament is not the Supreme God but merely what the Jewish people of Israel pictured their god to be Naturally if he is not the Supreme God then Jesus is not the Son of that Supreme God but may have been the son of that hateful murderous vengeful god of the Old Testament From the founding of Christianity it traces its impact through the first 1500 1600 years of the Catholic Church the keepers of the faith during that time It documents the Crusades the Inquisitions and the Reformation as well as the many married priests Popes who fathered children and under aged leading fathers of the Church Finally it attempts to motivate the indifferent Christian to utilize his God given mind to seriously think about what they actually believe and to conduct their lives according to that belief

The Dragon in Winter Jonathan Maberry,2024-08-20 The Dragon in Winter brings New York Times bestselling author Jonathan Maberry's epic Kagen the Damned Trilogy to a wild conclusion War is coming War is here The Witch king of Hakkia aided by terrifying dark forces sits uneasy on his stolen throne His enemies led by Kagen the Damned and the Bloody Bastards have found the secrets of ancient magic they hope will defeat him Strange forces gather on both sides vast armies of both the living and the dead devious trickster spirits strange gods warrior ghosts undying vampires blood plagues that

drive people to murderous rage immortal faeries and Earth's last dragon Kagen knows that he faces the impossible task of toppling a usurper whose dark magic conquered an empire in a single night But the Damned fear nothing and there are no limits to what Kagen will do to destroy the Witch king With his allies he will tear apart the veils that separate our world from the infinite realms of supernatural magic The Witch king will not go down with a fight and he is willing to drown the western lands in innocent blood to retain his stolen crown Even if he rules over an empire of dust and blood His power is growing and soon he will be unstoppable But they are not the only forces at work in the world Magic of all kinds is awakening and who can tell which side they will pick or if they will pose a new and terrible threat to all In the frozen North the last dragon tortured captive dying cries out in despair In the inky vastness of the outer dark that cry is heard And something of incalculable power is coming in answer Laws of the State of New York New York (State), 1897 **Friends and Traitors**
