The Gentleman's Magazine ,1878      **Never Screw Up** Jens Lapidus,2013-11-21 Niklas a weapons expert has returned home after years as a mercenary His world has no laws His life has made him a violence fanatic and an adrenaline junkie He is haunted by traumatic childhood memories One night his mother calls hysterical Someone has been murdered in her apartment building Thomas is a demoralized cop He s working the night shift when the call about the murder comes in The victim has been badly beaten and his arms have been pockmarked by syringes But someone wants the case silenced why Mahmud is just out of jail and keen to live the high life He has debts to someone he used to deal for In a game of russian roulette his life is spared but at what cost He has to look for a man whom he later wishes he d never found And his search takes him to a side of Stockholm he wishes he d never seen No matter how hard they try the power is not theirs It belongs to Radovan who rules over the dark parts of the city where everything is for sale But the price is much too high
