Hollywood Under Siege Thomas R Lindlof,2008-08-08 In 1988 director Martin Scorsese fulfilled his lifelong dream of making a film about Jesus Christ Rather than celebrating the film as a statement of faith churches and religious leaders immediately went on the attack alleging blasphemy At the height of the controversy thousands of phone calls a day flooded the Universal switchboard and before the year was out more than three million mailings protesting the film fanned out across the country For the first time in history a studio took responsibility for protecting theaters and scrambled to recruit a field crisis team to guide The Last Temptation of Christ through its contentious American openings Overseas the film faced widespread censorship actions with thirteen countries eventually banning the film The response in Europe turned violent when opposition groups sacked theaters in France and Greece and caused injuries to dozens of moviegoers Twenty years later author Thomas R Lindlof offers a comprehensive account of how this provocative film came to be made and how Universal Pictures and its parent company MCA became targets of the most intense unrelenting attacks ever mounted against a media company The film faced early and determined opposition from elements of the religious Right when it was being developed at Paramount during the last year the studio was run by the celebrated troika of Barry Diller Michael Eisner and Jeffrey Katzenberg By the mid 1980s Scorsese s film was widely regarded as unmakeable a political stick of dynamite that no one dared touch Through the joint efforts of two of the era s most influential executives CAA president Michael Ovitz and Universal Pictures chairman Thomas P Pollock this improbable project found its way into production The making of The Last Temptation of Christ caught evangelical Christians at a moment when they were suffering a crisis of confidence in their leadership The religious right seized on the film as a way to rehabilitate its image and to mobilize ordinary citizens to attack liberalism in art and culture The ensuing controversy over the film s alleged blasphemy escalated into a full scale war fought out very openly in the media Universal MCA faced unprecedented calls for boycotts of its business interests anti Semitic rhetoric and death threats were directed at MCA chairman Lew Wasserman and other MCA executives and the industry faced the specter of violence at theaters Hollywood Under Siege draws upon interviews with many of the key figures Martin Scorsese Paul Schrader Michael Ovitz Jeffrey Katzenberg Jack Valenti Thomas P Pollock and Willem Dafoe to explore the trajectory of the film from its conception to the

subsequent epic controversy and beyond Lindlof offers a fascinating dissection of a critical episode in the embryonic culture wars illuminating the explosive effects of the clash between the interests of the media industry and the forces of social conservatism
